## **What time period does the information in this Annual Report cover?**

All of the Town's financial information in this report (expenses, revenues and employee compensation information) is for the **2015-2016 Fiscal Year (FY16) beginning July 1, 2015 and ending June 30, 2016**. We are required to report audited financials for the Annual Town Report and FY16 is the most recent fiscal year for which we have audited figures. The current fiscal year that we are in (FY17) does not end until June 30, 2017.

However, because of the timing when we print the Annual Town Report nearly a year after the Town's last fiscal year ends, Department Head reports and other letters offer information based on different timeframes such as calendar year 2016 and more recent information when applicable.

The primary reason for different time periods is that the most current data for various areas of the Town operation: audited financials, tax assessments, crime statistics, building permits, etc., varies depending on the data source. In all cases, we strive to give you the fullest and most up-to-date information about Town operations. We have noted on each data table the specific time period for which the figures are related.

# TOWN of SABATTUS

190 Middle Road • Sabattus, Maine 04280 • Phone: (207) 375-4331 • Fax: (207) 375-4104

Citizens of Sabattus,

It is with earnest and professional respect that we submit to you the Annual Report of the Town of Sabattus for the fiscal year ending June 30, 2016.

The purpose of an Annual Report is informing residents of the financial condition of the town and the operational aspects of each town department. Another purpose of an annual report is informing the residents about potential long term projects. I find the mixture of reporting the financial status of Town for fiscal year 2016 and operational aspects for fiscal year 2017 beneficial because it provides larger representation of the Town's growth.

The town's financial statement provides overview of a municipality's financial performance at a certain date in time while providing opportunities for comparison with past performances. Reviewing of the current financial statement shows the stability of Sabattus with continued growth of revenues and frugal expenditures by the Town. A goal set by the Board of Selectmen and I, along with previous Boards and Town Mangers, was reaching the recommended levels of unrestricted reserves. In FY 2106, the Town of Sabattus obtained this goal which demonstrates the stable financial condition. These funds are critical in sustaining the Town through unpredictable and unanticipated fiscal circumstances.

I believe John Donne's quote "No man is an island, entire to itself" truly embodies the meaning of community. Each community members has the ability to positively influence the larger community and enhance the positive experiences within a town. Just a few examples that demonstrated the Sabattus' community in 2016/2017 are the annual fun festival held at the municipal building, the annual Memorial Day parade organized by the American Legion and annual town meeting. In 2016, Sabattus' community was highlighted nationally by Sabattus Disc Golf hosting the Women's National Disc Golf Championship.

I must acknowledge the dedication and hard work by all our Town employees. The past year provided multiple challenges and every employee met these challenges without hesitation. Their dedication and work ethic truly reflects the community we serve.

If you have any ideas on methods of improving services or increasing services, please feel free to contact me at the Town Office or e-mail me [award@sabattus.org](mailto:award@sabattus.org). Additionally, like us on Facebook and visit our website ([www.sabattus.org](http://www.sabattus.org)) for information on what's happening with your Town government.

I must additionally recognize and thank both the Board of Selectmen and all the volunteers participating on the numerous Town committees. Their commitment and hard work make the daily managing of Town business easier. I look forward to the upcoming year and working with all the Town's residents.

Respectfully Submitted,

Anthony Ward

# TOWN of SABATTUS POLICE DEPARTMENT

190 Middle Road • Sabattus, Maine 04280 • Phone: (207) 375-6952 • Fax: (207) 375-2504

Dear residents of Sabattus,

As I write my second annual report for this great community, I sat down and reflected on the past year. What an absolute amazing experience completing my first year as your Police Chief. I must say, it has been a challenging first year, but also a very exciting one for the future of this department.

The Sabattus Police Department has seen the retirement of one of our finest officers, Ralph Destefano. Ralph will certainly be missed, but we wish him the best in his retirement years. I had the privilege of promoting Detective Sergeant Sheila Wetherbee to the position of Lieutenant. Since my last report to you, we have welcomed three new additions to our department. Richard Stanton, a veteran police officer and investigator joined the department in June of 2016. Officer Stanton was subsequently promoted to the position of Detective Sergeant. Officer Mathew Bowers joined us in August of 2016 and Officer Christopher Miller was hired in January of this year. I look forward to seeing how these new additions will improve our department and assist our community in the years to come.

The Sabattus Police Department full-time staff currently consists of myself, Lieutenant Sheila Wetherbee, Detective Sergeant Richard Stanton, Officer Jeremy Petty, Officer Mathew Bowers, Officer Christopher Miller, and Administrative Assistant/Dispatcher/ Constable Melissa Kelly. We currently have one vacant position and are in the process of hiring for this open position. Additionally, we have four part-time officers consisting of Allen Huntington, Andrew Levesque, Jason Chaloux and Shawn Kelly.

The Sabattus Police Department aggressively pursues alternate funding sources so that any additional patrols or equipment can be purchased with no impact on the police budget or mill rate of the town. We have acquired several thousand dollars in grant funding as well as several thousand dollars in drug forfeiture monies. The Sabattus Police Department applied for and was able to obtain \$5,000.00 in grant funding for OUI enforcement patrols as well as \$2,000.00 for Seatbelt enforcement patrols. This grant funding enabled us to increase the number of patrol hours with no impact on the budget.

We were also able to use these alternate funding sources to purchase upgraded and much needed equipment for our department. We were able to get two new mobile radios for \$8,000.00, two new radar units for \$6,000.00, a new shotgun as well as officer safety and medical equipment. All of this equipment and extra patrols was 100% paid for through grant funding and drug forfeiture money with absolutely no impact on the police budget or the town's mill rate.

The Sabattus Police Department has created and implemented Core Values for our organization and they are as follows;

**LOYALTY \* INTEGRITY \* PROFESSIONALISM**

We take these Core Values very seriously and demonstrate them daily to meet and exceed the expectations of our community. This is an amazing community and the residents of Sabattus should expect nothing less than this exceptional level of service from your police department.

**STATISTICS**

Sabattus has the lowest crime rate per capita and is the safest community in Androscoggin County, according to the 2015 statistics obtained from the Maine uniformed crime report. Though our crime rate per capita is the lowest in Androscoggin County, we did see a slight increase in total index crimes from 57 to 60 or a 5.3% increase. The clearance rate for 2015 is once again this year well above the industry norms and demonstrates the dedication of the members of the Sabattus Police Department to assist our citizens. The Sabattus Police Department boasts an impressive 70% clearance rate of all reported index crimes. There were only four agencies in the entire state with a higher clearance rate. We attribute this exceptional clearance rate to not only the members of the police department, but also to the partnership we have with the community.

The Town of Sabattus was also ranked by Safewise as one of the top 20 safest cities in Maine for 2017. You can see the ranking here. <http://www.safewise.com/blog/safest-cities-maine/>

We cannot do this alone, we welcome and need the assistance of our community. We ask that all citizens be vigilant in watching for suspicious behaviors in your neighborhoods. Call us anytime day or night and we will be there!

As you can see, the Sabattus Police Department has been very busy this year. It has been a year of transition, but a year that will shape the future of this agency. I look forward to being part of this agency for the years to come and be able to see the fruition of this transition. As always, my door is open, if you have any issues, problems, or just want to say hi, stop in, I'd love to see you.

**April 17, 2017**

**To The Citizens of Sabattus,**

2016 has once again been a very positive year for the Sabattus Fire and EMS Department. This being my 4th year as your Fire Chief, I continue to see many advancements and positive changes within the service. With that said, it is with great pleasure that I submit the 2016 Annual Report to the Town of Sabattus.

In March of 2017, at a Board of Selectmen meeting, I had the pleasure of recognizing a few members for their achievements in 2016; Awards were presented for their achievements. Awards were as follows:

**Fire Officer of the Year was awarded to Lieutenant Tony Siderio**

**Fire Fighter of the Year was awarded to Firefighter Matt Conde**

**EMS Responder of the Year was awarded to FF/EMT Matt Conde**

**Junior Firefighter of the Year was awarded to Junior FF Benjamin Burgess**

Junior Firefighter Austin Gayton and FF/EMT Jennifer Campbell achieved Firefighter 1&2 certification. Currently, there are 2 members who are attending the rigorous 240+ hours of training to achieve this certification, and will be certified to that level sometime at the end of July. This past October, Assistant Chief Robert Gayton was awarded the Maine Fire Chief Officer 1 certification. He along with Chief Veilleux are amongst 27 Fire Chiefs within the entire state that hold this certification. Additionally, over the course of the past year, 8 members obtained various certifications in approved training classes totaling over 1800hrs of training. This does not include local trainings and in house trainings. These members show the true dedication and commitment to serving their community. Congratulations to them all for their efforts.

March of 2016 we had an unfortunate event that destroyed a home on the Rabbit Road. Fortunately, a child within the residence was awoken by a working smoke detector and he was able to alert the family and exit safely before the floor of the home collapsed. I was pleased to present this young man with the American Red Cross real heroes award a

year later at the Androscoggin Real Heroes breakfast. His efforts were outstanding and deserved commendation. As well, the owner of this home was a wounded veteran. Through my contacts with the National Fire Sprinkler Association, we were able to secure materials and labor to fully sprinkler the newly rebuilt home of this family. This is the first fully sprinklered home within the Town of Sabattus. I am honored to be part of these efforts. Please check your smoke alarms and ensure they are all in working order, and if you are building or doing major renovations to your home, please consider residential sprinklers. It is a proven fact that working smoke alarms save lives, and residential sprinklers save lives and property!

**I want to remind all the citizens of the community that numbering your homes, so that it is visible from the road, is a town ordinance. We as responders continuously struggle to locate homes during times of emergencies, which takes valuable time away from the care we should be giving to you or your loved ones. Please take a moment the next time your pulling in to your home and see if your house number is visible, at night, from the road. If not, we also can't see it. House numbers can be purchased at local hardware stores. Also, as a courtesy, the Sabattus Fire Association is selling reflective house numbers for your homes or mailboxes. Forms can be obtained at the fire stations, or on line at the towns website at [www.sabattus.org](http://www.sabattus.org). A mere \$15.00 could save you or your loved one's life!**

This past year, members of Sabattus Fire and EMS responded to a total of 341 Fire and EMS calls. The majority of the incidents we respond to occur during the workweek and during normal business hours. It is important to look at this information, as the majority of our membership, are also at work during these time periods. Most every workday there is less than 3 members, and all too often, there is no responders available for fire and ems incidents. This isn't a problem with leadership, it is the realistic demographics of members who have full time employment elsewhere outside of the community. This information should be alarming and concerning to each and every one of you. Therefore, it is crucial we continue to support the per-diem staffing program, the recruitment and retention programs, as well as our mutual aid partnerships. Currently the station is staffed 3 days per week with 1 firefighter/EMT. A proposal was put forth to the budget process to staff the station 5 days per week with 2 firefighter/EMT's however, it did not make it to the warrant for voters to decide. Therefore, it is important for citizens who are available during the workweeks to become part of the solution and join our organization volunteering to protect life and property. If any of you have a desire to be part of the Brother and Sisterhood in one of the most rewarding fields or if you are licensed through Maine EMS and are interested in being a part of the Fire and Rescue community either in the emergent or non-emergent aspect; please do not hesitate to contact me or fill out an application which is available on the town website. Come join a great group of committed individuals' "Citizens Volunteering to Protect Life and Property" within the community.

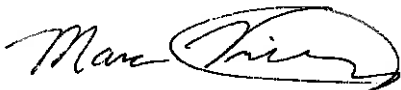

The Sabattus EMS First Responders are trained emergency medical technicians (EMTs) ranging from emergency medical responders to paramedics. They are trained to respond to critical emergency medical calls prior to the arrival of United Ambulance Service ranging from cardiac arrests, shortness of breath, seizures, diabetic problems, and many other critical incidents and injuries. To date, EMS First Responders have responded to more than 800 calls since its inception, not including fire department emergencies. Currently, there are 12 active EMT responders in the program and other members actively enrolled in an EMR first responder or EMT program. Currently, there are 2 members enrolled within an EMT class. Our goal is to continue to have more personnel trained and available to respond to medical incidents in the coming year.

I would like to express to you how fortunate the Town of Sabattus is to have such a devoted and hardworking fire and EMS department. These individuals selflessly have responded to 341 emergency calls. This past year responders spent more than 1450 hours on scene of emergencies, within and outside our community. This does not include their attendance for trainings, meetings and other behind-the-scenes fire related activities. This kind of perseverance demonstrates how committed they are to assuring their safety as well as the safety of your community. Your firefighters continue to put enormous amounts of hours in to being qualified and well-trained.

The men and woman of your Fire/EMS Department continue to aggressively seek out and learn better ways to serve the community through training, public education, and on-the-job experience. Many of your Sabattus emergency responders work fulltime for other emergency organizations in other communities, as well as hold regular employment positions. This kind of diversity and education from various agencies allows Sabattus responders to be leaders in their field and best serve our town. As your fire chief, I am pleased with the forward progress and proactive approach to our expanding community and its needs.

Despite time constraints and family obligations, the members of the Sabattus Fire and EMS Department still find time to volunteer and serve our community, facing high risk of injury, or even death, protecting life and property for little compensation. It gives me great pleasure to know that the Town of Sabattus has such dedicated firefighters and EMS professionals working for our community. It is very important that we strive to be progressive and proactive and continue to maintain a high level of service. I continue to say that I am very proud to be part of this organization and honored to serve as your Fire Chief. Please do not hesitate to contact me with any questions or concerns.

Respectfully submitted,

# Code Enforcement

**Dennis J. Douglass**

Code Enforcement Officer, Building Inspector,

Licensed Plumbing Inspector, 911 Addressing Officer

The Code Enforcement Officer, Building Inspector and Plumbing Inspector administers law relating to land use such as; building codes, shoreland zoning, minimum lot standards and the Maine Plumbing rules.

A major function of the Code Enforcement Office is to provide information to the public and to assist property owners in making prudent land use decisions. The office receives many requests for information on subjects ranging from land use regulations and building matters to issues involving State and Federal laws.

The office has an extensive collection of reference materials and can provide answers to some fairly complicated questions.

All construction within the boundaries of the Town of Sabattus requires a permit(s). Applicants may contact the Code Enforcement Officer at 751-6778 for any questions they may have. The Code Enforcement Office may also be contacted on the Internet at [www.sabattus.org](http://www.sabattus.org).

A permit is required for all new construction / remodeling / demolition / signage

A permit is not required for repairs

A permit is not required for a boundary fence (max. 6' height)

HHE200 – Septic system permits	18	\$3,700	\$0.00

## Public Works Department Annual Report

Town of Sabattus Citizens,

The Public Works Department operates with a very small staff. The crew consists of Tim Pinard (lead equipment operator), Matt Gaydos (truck driver/laborer/equipment operator), Robert Marthia (truck driver/laborer) Chuck Cox (Mechanic), Tony Galipeau (truck driver/laborer) and me, your Road Foreman. The Town graciously approved the purchase of a new dump truck at 2015's Town Meeting and the truck arrived last April. This truck substantially assisted our crew in performing our jobs during the challenging winter.

Some of the past year's highlights:

### Spring

During this time period, ground is thawing and beginning to dry. It's too early for heavy excavation work, but important endeavors still must. One of the most important responsibilities I perform during this period is the posting local roadways with weight restrictions. While these restrictions do disrupt some local businesses, they ensure that our roads are not damage when they are most vulnerable to damage by heavy weights.

Work during this period includes: general maintenance of PW grounds and buildings, Martin's Point cleanup and dock setting. We rent a street sweeper for a week and also use our small sweeper for townwide cleaning including the Fire Dept. and Town Office. Road maintenance is done by filling potholes and putting up "bump" signs. Our trucks and plows are cleaned, painted, and fixed from winter wear

### Summer

Summer and fall season are challenging times for the crew. We maximum local road repairs during this period while allowing staff leave time they are unable to take during the winter season. The summer of 2016 was a very busy time for the Public Works crew. We spent two weeks on roadside mowing, replaced 150 feet of road cross culverts and 200 feet of driveway culverts. We also did about 15,000 feet of ditching. Another time consuming obligation is mowing of local cemeteries. We eliminated contacting the services and we returned to performing this function. This simple shifting in responsibilities saved the Town several thousand dollars.

In the fall season we focused our efforts on winter preparation by repairing and installing snow removal equipment. The crew takes great pride in minimize the spending of tax dollars on purchasing new equipment or hiring of outside vendors for repairs.

### Winter

The winter of 2016-2017 was one of the worst winters in years, we used about 917 tons of salt and 4,000 yards of sand that left us with the sand shed almost empty. We were one man short during this time which made covering the routes a little late at times. We appreciate the community's understanding on the challenges we face this winter. On a good note, the new Massey Ferguson Tractor did a good job on the Town's sidewalks.

### **Major Road Projects for 2017 season;**

- MeDOT reconstruction and paving of Route 126
- MeDOT reconstruction of Route 132 near Access Road
- Local paving of Jordan Bridge Road
- Local paving of Lisbon Road
- Local paving of Littlefield Road to Old County Road
- Local reconstruction and paving of King Road

I would like to thank everyone at Public Works for their hard work and dedication, the Board of Selectmen, the Town Manager, the Town Office Staff, and the members of our community for your support.

Thank you,

Gary LaBonte, Road Foreman

## Transfer Station

To the Citizens of Sabattus:

Recycling tonnage rate was 42% for 2016 (the most current available) which was 8% below the State of Maine recycling goal. With the help of citizens, I know we can collectively work together to improve our recycling rate which will:

1. Increase our revenue
2. Decrease our household waste
3. Reduce the tipping fees charged to the Town to dispose of waste

### **2016 Recycling Statistics (Rounded)**

Cardboard	51 Tons
Newspaper/Magazines	35 Tons
Mixed paper	44 Tons
Glass	10 Tons
Tin/Aluminum	10 Tons
Plastic 1-7	40 Tons
TVS/Computers/Light Bulbs	14 Tons
Metal Recycled	98 Tons

By removing recyclables from the mainstream waste, citizens saved \$13,110 in disposal tipping fees and collected \$32,749 from the sale of recycled materials and woo/demo/electronic/metal fees. That's a total of \$45,859 in direct financial benefit to the citizens of Sabattus by recycling!

### **Friendly Reminders:**

- Clear trash bags are required and are available for sale at the transfer station.
- Syringe users: Please use a container of hard plastic such as a laundry detergent bottle with a cap, place your used syringe inside the bottle, and secure with the cap before disposal. This should be disposed in the household waste stream.

I would like to thank my outstanding staff for doing another great job this year. Leadman Robert Stevens, William Stuart, Clifford Michaud, Leroy Couillard and Richard Pinard. Any resident seeking information regarding the Transfer Station, please leave a message for Jerry at 207-375-2507 or visit the Sabattus Town web-site at [www.sabattus.org/our-goverment/transfer](http://www.sabattus.org/our-goverment/transfer) station.

## **ASSESSORS' AGENT & TAX COLLECTOR'S ANNUAL REPORT**

The Town of Sabattus maintains permanent records with title information, descriptions of land and buildings, and the valuation of all properties taxable and exempt, tax maps, lists of property, property tax cards, commitment books, exemption applications and proof of qualifications.

### **Property Tax Exemptions**

#### **Homestead Exemption**

Under this law, homeowners are eligible for a \$15,000 reduction in valuation.(20,000 for Tax Year 2018) In order to qualify you must have owned property in Maine for at least twelve months prior to April 1st and make the property you occupy your permanent residence.

#### **Veteran's Exemption**

A home owner may be eligible for a reduction in the valuation of his/her property if s/he:

- Has permanent residence in Sabattus on April 1<sup>st</sup>
- Is a veteran who was honorably discharged
- Served during a recognized war period in the U.S. Armed Forces
- Is 62 or older or an unremarried widow/widower of a qualifying veteran
- Is under 62 but 100% disabled due to a service-related disability

An application along with proof of service and discharge, such as a copy of a DD214 form must be provided for veterans who served during WWII or later. The exemption is a \$6,000 reduction in valuation.

#### **Paraplegic Veteran**

A veteran that received a federal grant for a specially-adapted housing unit may receive an exemption of \$50,000 in valuation.

#### **Blind Exemption**

A homeowner that is determined to be legally blind by a medical doctor receives a \$4,000 exemption.

All of the above exemptions require a completed application and may require additional information to support the claim for exemption. All applications must be submitted to the Town Office no later than April 1<sup>st</sup> of any given year.

### **Current Use Programs**

The State of Maine offers the following "current use programs" which give the property owner a reduction in his/her assessed value. Applications for all these programs are available at the Town Office or at the Maine Revenue Services website ([www.maine.gov](http://www.maine.gov)). All applications must be filed on or before April 1st. In order to be eligible, each program has certain criteria that must be met. Any change in use of the land warrants withdrawal from the program and a penalty assessed.

#### **Tree Growth**

This program provides for the landowner with at least 10 acres of forested land that wishes to maintain land for the planting, culture, and continuous harvesting of trees. A Forest Management and Harvest Plan must be prepared and submitted with the application. Applications must include a map of the parcel indicating the forest type breakdown as well as all other areas not classified as tree growth. The 100% valuation per acre for each forest type by county is determined by the State Tax Assessor each year. If the classified parcel no longer meets the criteria of eligibility or the landowner withdraws from the program, a penalty on an amount between 20% and 30% of the difference between the tree growth value and the fair market value will be assessed depending on the amount of time in the program.

#### **FarmLand**

In the farmland program, the land must be used for farming, agriculture, or horticulture. Farmland can include woodland and wasteland. At least five (5) contiguous acres of land is required and the tract must contribute at least \$2,000 gross income from farming activities per year in one of the two, or three of the five calendar years preceding the date of application. If the property no longer qualifies as farmland or the landowner withdraws from the program then a penalty will be assessed that is equal to: the amount of taxes that would have been paid in the last five years had it not been in the program, less the taxes that were originally assessed, plus any interest on that balance.

#### **Open Space**

Under this program no minimum acreage is required and the tract of land must be preserved or restricted in use to provide a public benefit such as public recreation, scenic resources, game management, or preserving wildlife habitat. Classified land is valued by reducing the fair market value in accordance with a cumulative percentage reduction for which the land is eligible according to certain categories.

- Ordinary Open Space - 20% reduction
- Permanently Protected - 30% reduction
- Forever Wild - 20% reduction
- Public Access - 25% reduction

If the property met all of the above requirements, the owner would see a cumulative reduction of up to 95% on the classified land. If the classified parcel no longer meets the criteria of eligibility or the landowner withdraws from the program, a penalty will be assessed equal to: an amount between 20% and 30% of the difference between the open space value and fair market value depending on the amount of time in the program.

Respectfully Submitted,

Donna Moore Hays, CMA, Assessors' Agent to the Board of Assessors/Selectmen  
Judy D. Fournier, Tax Collector

**\*\* Important Notice about property taxes for buyers and sellers\*\***

1. Under Maine law, payments of property taxes are the responsibility of the person who owns the property as of April 1<sup>st</sup>.
2. Both the buyer and seller may agree to divide the taxes between themselves, but if any part of the taxes are not paid, a lien will be filed in the name of the person who owned the property on April 1<sup>st</sup>.

Please be Aware

If you are the seller- Even if you no longer own the property, a lien may have a negative effect on your credit rating.

If you are the buyer- If a lien is filed in the sellers name, The Municipality may still foreclose on your property for unpaid taxes.

## SABATTUS SANITARY DISTRICT'S ANNUAL REPORT

March 2017

The Sabattus Sanitary District's mission is to continue to serve it's customers in a professional manner and strive to achieve quality effluent through its wastewater treatment process and to protect the environment by meeting its discharge permit to the Sabattus River. The Department of Environmental Protection sets strict limits to achieve through our discharge permit and we take pride in meeting those limits on a continual basis. The District continues to go above and beyond to adapt and establish good working relationships with its customers and the people they work with to achieve the goals they set forth in the most cost effective manner, without affecting the quality of its work and product. Clean and safe drinking water is also a priority for the District as well as providing fire protection to its customers and residents of the community. Since its establishment in 1969, the drinking water in Sabattus meets all of the standards set forth by the State and Federal agencies and its guidelines. The District provides an excellent quality of water provided through 2 gravel packed wells approximately 60 feet deep and pulls water from an underground aquifer. The District does not add any chemicals to its water supply. The District collects required monthly samples and performs testing to assure safe and great tasting quality water to its customers.

The Sabattus Sanitary District received 3 new residential sewer hook ups in 2016, and the water received 4 new services. In 2016, the Water Division encountered a total of 3 water breaks including: Lisbon Rd., Island Rd., and Spring St. The total water pumped from Marsh Rd. pump house for 2016 was 53.77 million gallons, with a daily average of 151,039 gallons per day. No violations occurred in 2016. All required sampling set by the State were met. The Sewer Division treated approximately 30.24 million gallons, with a daily average of 84,944 per day gallons discharged into the Sabattus River. No violations occurred in 2016. Again, all testing required by the State met their requirements.

The sewer rates were adjusted and raised effective January 1, 2016 to meet the department's obligations. The rate increase will occur over a 2 year period to help lessen the burden to our rate payers. The last increase was in 2010. With little growth and no commercial users to help offset the costs of operations, it is always a challenge to keep rates stable for our customers.

The District has continued working on a Capital Improvement Plan (C.I.P.) for both departments. The District currently budgets these capital expenses in its annual budget.

The District continues to contract with the Town to do all of its administrative duties in an order to save money and keep rates stable. All Payments will be made at the Town Office. We continue to communicate with the Town Manager and his staff on upcoming projects, safety issues etc... that benefit not only the employees but the ratepayers. The District is always looking for ways to provide its customers with the best quality product and do it in a cost effective manner. The District has started to change some of its lighting to LED lighting to receive energy cost savings. The District has applied and received a discharge permit modification and will receive some reduced testing again providing a savings to the District.
