## **What time period does the information in this Annual Report cover?**

All of the Town's financial information in this report (expenses, revenues and employee compensation information) is for the **2016-2017 Fiscal Year (FY17) beginning July 1, 2016 and ending June 30, 2017.** We are required to report audited financials for the Annual Town Report and FY17 is the most recent fiscal year for which we have audited figures. The current fiscal year that we are in (FY18) does not end until June 30, 2018.

However, because of the timing when we print the Annual Town Report nearly a year after the Town's last fiscal year ends, Department Head reports and other letters offer information based on different timeframes such as calendar year 2017 and more recent information when applicable.

The primary reason for different time periods is that the most current data for various areas of the Town operation: audited financials, tax assessments, crime statistics, building permits, etc., varies depending on the data source. In all cases, we strive to give you the fullest and most up-to-date information about Town operations. We have noted on each data table the specific time period for which the figures are related.

# TOWN of SABATTUS

190 Middle Road • Sabattus, Maine 04280 • Phone: (207) 375-4331 • Fax: (207) 375-4104

Citizens of Sabattus,

It is with professional and communal respect that we submit to you the Annual Report of the Town of Sabattus for the fiscal year ending June 30, 2017.

The purpose of an Annual Report is informing residents of the financial condition of the town and the operational aspects of each town department. Another purpose is informing the residents about potential long term projects. I find the mixture of reporting the financial status of Town for fiscal year 2017 and operational aspects for fiscal year 2018 beneficial because it provides larger representation of the Town's growth.

The Town's financial statement provides overview of a municipality's financial performance at a certain date in time while providing opportunities for comparison with past performances. Reviewing of the current financial statement shows the stability of Sabattus with continued growth of revenues and frugal expenditures by the Town. A goal set by the Board of Selectmen and I, along with previous Boards and Town Managers, was reaching the recommended levels of unrestricted reserves. In FY 2017, the Town of Sabattus obtained this goal, which demonstrates the stable financial condition. These funds are critical in sustaining the Town through unpredictable and unanticipated fiscal circumstances.

Town staff, Board of Selectmen and Town committees made substantial gains and improvements within the recent years. These successes include road upgrades and ditching of Lisbon Road and Jordan Bridge Road while simultaneously developing a 10-year plan for road improvements throughout the Town. The Ordinance Review Committee and Planning Board completely revamped the Town's Ordinances, which was approved at last Town Meeting and prepared new zoning ordinances that shall be voted on at this year's Town meeting.

Portions of the infrastructural improvements previously approved were completed. This includes the Town Office and Police Department upgrading their internet connections and progressing to a fiber optic system. This action permitted the updating of the Town's phone system and connecting all Town Department's communication system. The Town also removed the expired fueling system from the Public Work facility and replaced it with a modern system that will last the Town 30-years.

During the past year and half, the Town purchased several needed items that were approved at previous Town Meetings. The items include but are not limited to:

- a secure evidence facility for the Police Department
- a new cruiser
- a new hydraulic vehicle entry system “Jaws of Life” for the Fire Department
- 2017 Case 4-Wheel Loader with plow system
- air frame packs for the Fire Department
- purchased and installed a vehicle exhaust system in both fire stations

I must acknowledge the dedication and hard work by all our Town employees. This past year provided multiple challenges and every employee met these challenges without hesitation. Their dedication and work ethic truly reflects the community we serve.

If you have any ideas on methods of improving services or increasing services, please feel free to contact me at the Town Office or e-mail me at [award@sabattus.org](mailto:award@sabattus.org). Additionally, like us on Facebook and visit our website ([www.sabattus.org](http://www.sabattus.org)) for information on what’s happening with your Town government.

# TOWN of SABATTUS POLICE DEPARTMENT

190 Middle Road • Sabattus, Maine 04280 • Phone: (207) 375-6952 • Fax: (207) 375-2504

Dear residents of Sabattus,

As I wrote my third annual report for this great community, I sat down and reflected on the past year. What an absolute amazing experience completing two years as your Police Chief. I must say, it has been a challenging, but also a very exciting one for the future of this department.

Since my last report to you, we have welcomed two new additions to our department. Gregory Mailhot joined the department in May of 2017. Officer Mailhot has completed his initial training and has been patrolling our fine community and has been doing an exceptional job. Officer Peter Theriault was hired in December of 2017. He is currently completing his training at the Maine Criminal Justice Academy and will begin his Field Training program in May. I look forward to seeing how these new additions will improve our department and assist our community in the years to come.

The Sabattus Police Department full-time staff currently consists of myself, Lieutenant Sheila Wetherbee, Detective Sergeant Richard Stanton, Officer Jeremy Petty, Officer Christopher Miller, Officer Gregory Mailhot, Officer Peter Theriault and Administrative Assistant/Dispatcher/Constable Melissa Kelly. Additionally, we have four part-time officers consisting of Allen Huntington, Andrew Levesque, Jason Chaloux and Shawn Kelly.

The Sabattus Police Department aggressively pursues alternate funding sources so that any additional patrols or equipment can be purchased with no impact on the police budget or mill rate of the town. We have acquired over thirty (30) thousand dollars in grant funding for increased patrols for Impaired Drivers, Distracted Drivers, Speed enforcement and Seat belt enforcement. This grant funding enabled us to increase the number of patrol hours with no impact on the budget.

We were also able to use these alternate funding sources to purchase upgraded and much needed equipment for our department. We were able to purchase night vision optics as well as thermal imaging optics to add to our equipment inventory. All of this equipment and extra patrols was 100% paid for through grant funding with absolutely no impact on the police budget or the town's mill rate.

The Sabattus Police Department is beginning the process to become "Accredited" through the Maine Law Enforcement Accreditation Program". The Maine Law Enforcement Accreditation Program (MLEAP) is a voluntary process where police agencies in Maine prove their compliance with Maine Law Enforcement's current Best Practices or Standards. These standards were carefully developed by Maine Law Enforcement professionals to assist agencies in the efficient and effective delivery of service and the protection of individual's rights.

The Maine Chiefs of Police Association (MCOPA) developed the Accreditation Program to assist Maine agencies in meeting their professional obligations to the citizens of Maine. An appointed Committee of CLEOs or other executive level sworn members who hold Active Membership in the MCOPA as well as other critical partners identified by the MCOPA Board of Directors from across the state developed the Accreditation Program and identified the Standards for Maine Law Enforcement. This committee now conducts reviews of an agency's efforts and awards "Accredited" status.

Being "Accredited" means that the agency meets or exceeds all of the identified Standards for Maine Law Enforcement Agencies. These standards cover all aspects of law enforcement operations including: use of force, protection of citizen rights, pursuits, property and evidence management, and patrol and investigative operations. While being "Accredited" does not guarantee an agency will not make a mistake, it does ensure that the agency has carefully thought about these critical issues, has developed policy and procedures to address them and has systems in place to identify and correct problems.

There are a number of benefits to becoming an "Accredited" police agency. Sworn members exercise government's most awesome powers – the power to stop and question a citizen, the power to arrest a citizen, to seize his person and property, and the power to use force in that process. Sworn members often operate alone without direct supervision. Law enforcement agencies direct and control their sworn members' activity through supervision, training, and written policies and procedures. Since supervisors cannot always be present, the training and the policies and procedures of an agency are critical to ensuring proper performance. Appropriate equipment is also necessary. The MLEAP ensures an agency has addressed the most critical of law enforcement issues in both policy as well as actual operation. MLEAP does not tell an agency what their policy must be, but rather it ensures that the policy, procedure, or operation addresses all of the critical aspects of an issue.

MLEAP assures both governing bodies and citizens of a community that their law enforcement agency is operating in a manner that reflects the current best practices of law enforcement. It reduces sworn member and agency risks. It can provide citizens with reassurance and improve community cooperation – and can also lead to improved performance of the department. Being accredited will also give the Sabattus Police Department a 15% discount on liability insurance rates through the Maine Municipal Association.

We at the Sabattus Police Department are always striving to improve our services to the community we serve. Beginning the process to become accredited, though a very long process, is just one more way to improve how we deliver services to this is an amazing community. The residents of Sabattus should expect nothing less than this exceptional level of service from your police department.

## **STATISTICS**

Sabattus has the lowest crime rate per capita (8.34) and is the safest community in Androscoggin County, according to the 2016 statistics obtained from the Maine uniformed crime report. Thankfully our crime rate per capita saw a 29.68% decrease in 2016 from 11.86 (2015) to 8.34 (2016). Index Crimes can be broken down into two categories, Violent crimes and Property Crimes. Sabattus saw a 30% decrease in Index Crimes from 60 (2015) to 42 (2016).

The Town of Sabattus was also ranked by Safewise as one of the top 20 safest cities in Maine for 2017. You can see the ranking here. <http://www.safewise.com/blog/safest-cities-maine/>

## **ARRESTS**

We cannot do this alone, we welcome and need the assistance of our community. We ask that all citizens be vigilant in watching for suspicious behaviors in your neighborhoods. Call us anytime day or night and we will be there!

As you can see, the Sabattus Police Department has again been very busy this year. It has been a year of transition, but a year that will shape the future of this agency. I look forward to being part of this agency for the years to come and be able to see the fruition of this transition. As always, my door is open, if you have any issues, problems, or just want to say hi, stop in, I'd love to see you.

April 25, 2018

To the Citizens of Sabattus,

2017 has once again been a very positive year for the Sabattus Fire and EMS Department. This being my 5th year as your Fire Chief, I continue to see many advancements and positive changes within the service. With that said, it is with great pleasure that I submit the 2017 Annual Report to the Town of Sabattus.

The Sabattus EMS First Responders are trained emergency medical technicians (EMTs) ranging from emergency medical responders to paramedics, and even a cardiac Nurse Practitioner. They are trained to respond to critical emergency medical calls and provide basic life support prior to the arrival of United Ambulance Service for transporting to the hospital. They respond to incidents ranging from cardiac arrests, shortness of breath, seizures, diabetic problems, and many other critical incidents and injuries. Currently, there are 10 active EMT responders in the program and other members actively enrolled in an EMR first responder or EMT program. Currently, there is 1 member pending testing through the national registry to become an EMT and 1 member who is beginning a class in June. Our goal is to continue to have more personnel trained and available to respond to medical incidents in the coming year.

I would like to express to you how fortunate the Town of Sabattus is to have such a devoted and hardworking fire and EMS department. On May 25<sup>th</sup>, Chief Veilleux and other members of the Sabattus Fire and EMS department will be awarded the **Maine EMS 2018 Excellence award**. This prestigious award is conferred for contributions to the EMS system at the regional or state level through significant contributions in system development and quality process improvement. I can't express how proud I am of the members for all their efforts. This kind of perseverance demonstrates how committed they are to assure their safety as well as the safety of your community. Your firefighters continue to put enormous amounts of hours in to being qualified and well-trained.

Currently, there are 3 members who are attending the rigorous 240+ hours of training to achieve the certification of firefighter 1 & 2 and will be certified to that level sometime at the end of July. With these members achieving this certification, this will bring our department to 98% certification. Just a mere 4 years ago our department was at 40% certified firefighters. Members continue to train on a monthly basis as well as through various methods to include weekend fire attack schools.

This past November, Assistant Chief Robert Gayton resigned from the position of Assistant Chief. I would like to thank him for his 4 years in that position and for his 14 years of service with the department protecting the citizens of the community. The vacated position was posted both internally and externally and 5 candidates were interviewed. Stephen Coffey, a resident of Sabattus, was chosen for the position. Stephen came to the department

2 years ago with more than 20 years' experience, to include holding the position of Deputy Chief with a department out of New Hampshire. Stephen has already proven to be an integral part of the administration within the department and we are extremely happy to have him on board.

Please check your smoke alarms and ensure they are all in working order, and if you are building or doing major renovations to your home, please consider residential sprinklers. It is a proven fact that working smoke alarms save lives, and residential sprinklers save lives and property!

I must remind you all that this department is made up of volunteer firefighters that live within a 5-mile radius of the station. However daytime response is at an all-time low as most all members work full time jobs and are not available during normal work hours. If any of you have a desire to be part of the Brother and Sisterhood in one of the most rewarding fields or if you are licensed through Maine EMS and are interested in being a part of the Fire and Rescue community either in the emergent or non-emergent aspect; please do not hesitate to contact me or fill out an application which is available on the town website at [www.sabattus.org](http://www.sabattus.org). Come join a great group of committed individuals' "Citizens Volunteering to Protect Life and Property" within the community.

The men and woman of your Fire/EMS Department continue to aggressively seek out and learn better ways to serve the community through training, public education, and on-the-job experience. Many of your Sabattus emergency responders work fulltime for other emergency organizations in other communities, as well as hold regular employment positions. This kind of diversity and education from various agencies allows Sabattus responders to be leaders in their field and best serve our town. As your fire chief, I am pleased with the forward progress and proactive approach to our expanding community and its needs.

**I want to remind all the citizens of the community that numbering your homes, so that it is visible from the road, is a town ordinance. We as responders continuously struggle to locate homes during times of emergencies, which takes valuable time away from the care we should be giving to you or your loved ones. Please take a moment the next time you're pulling in to your home and see if your house number is visible, at night, from the road. If not, we also can't see it. House numbers can be purchased at local hardware stores. Also, as a courtesy, the Sabattus Fire Association is selling reflective house numbers for your homes or mailboxes. Forms can be obtained at the fire stations, or on line at the Towns' website at [www.sabattus.org](http://www.sabattus.org). A mere \$15.00 could save you or your loved one's life!**

Despite time constraints and family obligations, the members of the Sabattus Fire and EMS Department still find time to volunteer and serve our community, facing high risk of injury, or even death, protecting life and property. It gives me great pleasure to know that the Town of Sabattus has such dedicated firefighters and EMS professionals working for our community. It is very important that we strive to be progressive and proactive and continue to maintain a high level of service. I continue to say that I am very proud to be part of this organization and honored to serve as your Fire Chief. Please do not hesitate to contact me with any questions or concerns.

Respectfully submitted,

Marc Veilleux, CFO-1, CFI-1, NREMR

# Code Enforcement

**Dennis J. Douglass**

Code Enforcement Officer, Building Inspector,

Licensed Plumbing Inspector, 911 Addressing Officer

The Code Enforcement Officer, Building Inspector and Plumbing Inspector administers law relating to land use such as; building codes, shoreland zoning, minimum lot standards and the Maine Plumbing rules.

A major function of the Code Enforcement Office is to provide information to the public and to assist property owners in making prudent land use decisions. The office receives many requests for information on subjects ranging from land use regulations and building matters to issues involving State and Federal laws.

The office has an extensive collection of reference materials and can provide answers to some fairly complicated questions.

All construction within the boundaries of the Town of Sabattus requires a permit(s). Applicants may contact the Code Enforcement Officer at 751-6778 for any questions they may have. The Code Enforcement Office may also be contacted on the Internet at [www.sabattus.org](http://www.sabattus.org).

A permit is required for all new construction / remodeling / demolition / signage

A permit is not required for repairs

A permit is not required for a boundary fence (max. 6' height)

## Public Works Department Annual Report

Town of Sabattus Citizens:

The Public Works Department operates with a very small staff. The crew consists of Chuck Cox (mechanic), Ralph Destefano (truck driver/laborer), Tony Galipeau (truck driver/laborer), Matt Gaydos (truck driver, laborer, equipment operator), Tim Pinard (lead equipment operator), and myself Gary Labonte, your Road Foreman. The Town graciously approved the purchase of a Case 621E front end loader with a plow and wing attachment at the 2017 Town Meeting. This tractor arrived 2 days before the first snowstorm of the 2017/2018-winter season. Specifically, this tractor provided for increased efficiency and reliability in maintaining Town roads throughout this winter season.

Some of this past year's highlights:

### **Spring**

During the time period, ground is thawing and beginning to dry. One of the most important responsibilities I perform during this period is the posting of local roadways with weight restrictions. It is important to note that these restrictions do disrupt some local businesses, but these restrictions ensure that our roads are not damaged when they are the most vulnerable.

Work during this period includes: general maintenance of Public Works grounds and buildings, Martin's Point cleanup and dock setting; A street sweeper is rented for a week, and the town's small sweeper is used to complete town wide cleaning, including the Fire Department and Town Office. Road maintenance includes filling potholes and placing "bump" traffic signs. Trucks, plows, and equipment are cleaned, painted, and repaired from winter wear.

### **Summer**

Local road repairs are maximized during this period, while allowing for staff to use leave time, as they are unable to do so during the winter season. Work included roadside mowing using a rented side mower, regular mowing of cemeteries, Martin's Point, and other Town properties. To complete ditching to address problem drainage areas, an excavator was rented. In 2017, 300 feet of culverts were installed. Paving was contracted out to complete a couple miles of resurfacing of Lisbon Rd.

### **Fall**

Efforts focus on winter preparation, including installing and repairing all pieces of snow removal and road treatment equipment. Work at this time of year includes ensuring that culverts are operating and clear of debris, and potholes are cold patched. Fall clean up of the cemeteries is outsourced.

### **Winter**

The winter of 2017/2018 brought challenges for Public Works. The budget was beyond depleted due to frequent weekend storms and several multi-day storms. 1,300 tons of salt (significantly more than last year) and 4,000 yards of sand were used this season to keep Town roads open and safe.

I thank everyone at Public Works for their hard work and dedication, the Board of Selectmen, the Town Manager, the Town Office staff, and the members of our community for your support.

Thank You,

Gary LaBonte, Road Foreman

## Transfer Station

To the Citizens of Sabattus:

Recycling tonnage rate was 38% for 2017(The most current available) which was 12% below the State of Maine recycling goal. With the help of citizens, we can improve our recycling rate, increase our revenue, and decrease our household waste as well as reduce the tipping fee charged to the Town to dispose of waste.

### 2017 Recycling Statistics

Card board	51 Tons
Newspaper / Magazines	40 Tons
Mixed paper	49 Tons
Glass	10 Tons
Tin/aluminum	12 Tons
Plastic 1-7	20 Tons
TVs/Computers etc	14 Tons
Metal	107 Tons

By taking recyclables out of the waste stream, Citizens saved \$13,176.00 in tipping fees and collected \$34,965.00 from the sale of recycled material, and demo wood /electronics/ metal fees.

Reminder clear trash bags are required, and are available to purchase at the transfer station.

Syringe users please use a container of hard plastic such as a laundry detergent bottle with a cap. Place your used syringes inside the bottle and secure with the cap before disposal and put in the household waste stream.

I would like to thank my outstanding staff for doing a great job this past year:  
Leadman, Michael Whitney, Leroy Couillard, Clifford Michaud, and Arthur Cefalo

Any resident seeking information regarding the Transfer Station, please leave a message for Jerry at 375-2507 or visit the town website @ <https://www.sabattus.org/transfer-station>

Respectfully submitted

Transfer Station Manager

## SABATTUS SANITARY DISTRICT'S ANNUAL REPORT

March 2018

The Sabattus Sanitary District's mission is to continue to serve its customers in a professional manner and strive to achieve quality effluent through its wastewater treatment process and to protect the environment by meeting its discharge permit to the Sabattus River. The Department of Environmental Protection sets strict limits to achieve through our discharge permit and we take pride in meeting those limits on a continual basis. The District continues to go above and beyond to adapt and establish good working relationships with its customers and the people they work with to achieve the goals they set forth in the most cost effective manner, without affecting the quality of its work and product. Clean and safe drinking water is also a priority for the District as well as providing fire protection to its customers and residents of the community. Since its establishment in 1969, the drinking water in Sabattus meets all of the standards set forth by the State and Federal agencies and its guidelines. The District provides an excellent quality of water provided through 2 gravel packed wells approximately 60 feet deep and pulls water from an underground aquifer. The District does not add any chemicals to its water supply. The District collects required monthly samples and performs testing to assure safe and great tasting quality water to its customers.

The Sabattus Sanitary District received 6 new residential sewer hook ups in 2017, and the water received 6 new services. In 2017, the Water Division encountered a total of 2 water breaks, both on Main St. The total water pumped from Marsh Rd. pump house for 2017 was 50.82 million gallons, with a daily average of 142,750 gallons per day. No violations occurred in 2017. All required sampling set by the State were met. The Sewer Division treated approximately 32.94 million gallons, with a daily average of 92,530 gallons per day discharged into the Sabattus River. No violations occurred in 2017. Again, all testing required by the State met their requirements.

The sewer rates were adjusted and raised effective January 1, 2016 to meet the department's obligations. The rate increase will occur over a 2 year period to help lessen the burden to our rate payers. The last increase was in 2010. With little growth and no commercial users to help offset the costs of operations, it is always a challenge to keep rates stable for our customers.

The District has continued working on a Capital Improvement Plan (C.I.P.) for both departments. The District currently budgets these capital expenses in its annual budget.

The District continues to contract with the Town to do all of its administrative duties in an order to save money and keep rates stable. All Payments will be made at the Town Office. We continue to communicate with the Town Manager and his staff on upcoming projects, safety issues etc... that benefit not only the employees but the ratepayers. The District is always looking for ways to provide its customers with the best quality product and do it in a cost effective manner. The District has completed upgrading its lighting to LED lighting to receive energy cost savings. The District received a discharge permit modification and will receive some reduced testing again providing a savings to the District.

The District also received the privileged SHAPE (Safety & Health Award for Public Employees) through the State of Maine Department of Labor in 2015 and received an extension up to 2021, and continues to work with the State annually to assure a safe work environment for its employees.

## **ASSESSORS' AGENT & TAX COLLECTOR'S ANNUAL REPORT**

The Town of Sabattus maintains permanent records with title information, descriptions of land and buildings, and the valuation of all properties taxable and exempt, tax maps, lists of property, property tax cards, commitment books, exemption applications and proof of qualifications.

### **Property Tax Exemptions**

#### **Homestead Exemption**

Under this law, homeowners are eligible for a \$20,000 for Tax Year 2019. In order to qualify you must have owned property in Maine for at least twelve months prior to April 1st and make the property you occupy your permanent residence.

#### **Veteran's Exemption**

A home owner may be eligible for a reduction in the valuation of his/her property if s/he:

- Has permanent residence in Sabattus on April 1<sup>st</sup>
- Is a veteran who was honorably discharged
- Served during a recognized war period in the U.S. Armed Forces
- Is 62 or older or an unmarried widow/widower of a qualifying veteran
- Is under age 62 but 100% disabled due to a service-related disability

An application along with proof of service and discharge, such as a copy of a DD214 form must be provided for veterans who served during WWII or later. The exemption is a \$6,000 reduction in valuation.

#### **Paraplegic Veteran**

A veteran that received a federal grant for a specially-adapted housing unit may receive an exemption of \$50,000 in valuation.

#### **Blind Exemption**

A homeowner that is determined to be legally blind by a medical doctor receives a \$4,000 exemption.

All of the above exemptions require a completed application and may require additional information to support the claim for exemption. All applications must be submitted to the Town Office no later than April 1<sup>st</sup> of any given year.

### **Current Use Programs**

The State of Maine offers the following "current use programs" which give the property owner a reduction in his/her assessed value. Applications for all these programs are available at the Town Office or at the Maine Revenue Services website ([www.maine.gov](http://www.maine.gov)). All applications must be filed on or before April 1st. In order to be eligible, each program has certain criteria that must be met. Any change in use of the land warrants withdrawal from the program and a penalty assessed.

#### **Tree Growth**

This program provides for the landowner with at least 10 acres of forested land that wishes to maintain land for the planting, culture, and continuous harvesting of trees. A Forest Management and Harvest Plan must be prepared and submitted with the application. Applications must include a map of the parcel indicating the forest type breakdown as well as all other areas not classified as tree growth. The 100% valuation per acre for each forest type by county is determined by the State Tax Assessor each year. If the classified parcel no longer meets the criteria of eligibility or the landowner withdraws from the program, a penalty on an amount between 20% and 30% of the difference between the tree growth value and the fair market value will be assessed depending on the amount of time in the program.

#### **Farmland**

In the farmland program, the land must be used for farming, agriculture, or horticulture. Farmland can include woodland and wasteland. At least five (5) contiguous acres of land is required and the tract must contribute at least \$2,000 gross income from farming activities per year in one of the two, or three of the five calendar years preceding the date of application. If the property no longer qualifies as farmland or the landowner withdraws from the program then a penalty will be assessed that is equal to: the amount of taxes that would have been paid in the last five years had it not been in the program, less the taxes that were originally assessed, plus any interest on that balance.

#### **Open Space**

Under this program no minimum acreage is required and the tract of land must be preserved or restricted in use to provide a public benefit such as public recreation, scenic resources, game management, or preserving wildlife habitat. Classified land is valued by reducing the fair market value in accordance with a cumulative percentage reduction for which the land is eligible according to certain categories.

- Ordinary Open Space - 20% reduction
- Permanently Protected - 30% reduction

- Forever Wild - 20% reduction
- Public Access - 25% reduction

If the property met all of the above requirements, the owner would see a cumulative reduction of up to 95% on the classified land. If the classified parcel no longer meets the criteria of eligibility or the landowner withdraws from the program, a penalty will be assessed equal to: an amount between 20% and 30% of the difference between the open space value and fair market value depending on the amount of time in the program.

Respectfully Submitted,

Donna Moore Hays, CMA, Assessors' Agent to the Board of Assessors/Selectmen  
Judy D. Fournier, Tax Collector

**\*\* Important Notice about property taxes for buyers and sellers\*\***

1. Under Maine law, payments of property taxes are the responsibility of the person who owns the property as of April 1<sup>st</sup>.
2. Both the buyer and seller may agree to divide the taxes between themselves, but if any part of the taxes are not paid, a lien will be filed in the name of the person who owned the property on April 1<sup>st</sup>.

**Please be Aware**

If you are the seller- Even if you no longer own the property, a lien may have a negative effect on your credit rating.

If you are the buyer- If a lien is filed in the sellers' name, The Municipality may still foreclose on your property for unpaid taxes.
