## **What time period does the information in this Annual Report cover?**

All of the Town's financial information in this report (expenses, revenues and employee compensation information) is for the **2018-2019 Fiscal Year (FY19) beginning July 1, 2018 and ending June 30, 2019.** We are required to report audited financials for the Annual Town Report and FY19 is the most recent fiscal year for which we have audited figures. The current fiscal year that we are in (FY20) does not end until June 30, 2020.

However, because of the timing when we print the Annual Town Report nearly a year after the Town's last fiscal year ends, Department Head reports and other letters offer information based on different timeframes such as calendar year 2020 and more recent information when applicable.

The primary reason for different time periods is that the most current data for various areas of the Town operation: audited financials, tax assessments, crime statistics, building permits, etc., varies depending on the data source. In all cases, we strive to give you the fullest and most up-to-date information about Town operations. We have noted on each data table the specific time period for which the figures are related.

*The 2020 Town Meeting and Annual Town report are dedicated*

# TOWN of SABATTUS

190 Middle Road • Sabattus, Maine 04280 • Phone: (207) 375-4331 • Fax: (207) 375-4104

Citizens of Sabattus,

I would be remiss if I did not mention the current societal effects created by the Coronavirus and the multiple changes created in our Town's services. None of these short-term changes were taken lightly and we understood the implications for Sabattus residents. Our staff identified creative methods of providing essential services while ensuring everyone's health. While communities across the country are protesting and developing negative outlooks towards government, we have experienced the opposite. I have witnessed nothing but positive communications with our residents about any Town operational strategy. While residents might be frustrated by some of the short-term changes, their treatment of Town staff was nothing but cordial. Even more significant is the manner that Sabattus residents assisted other residents. These selfless actions truly demonstrate the meaning of community and Sabattus faced these challenging head on with a sense of community.

It is with professional and communal respect that we submit to you the Annual Report of the Town of Sabattus for the fiscal year ending June 30, 2019.

The purpose of an Annual Report is informing residents of the financial condition of the town and the operational aspects of each town department. Another purpose is informing the residents about potential long term projects. I find the mixture of reporting the financial status of the Town for fiscal year 2019 and operational aspects for fiscal year 2020 beneficial because it provides larger representation of the Town's growth.

The Town's financial statement provides overview of a municipality's financial performance at a certain date in time while providing opportunities for comparison with past performances. Review of the current financial statement shows the stability of Sabattus with continued growth of revenues and frugal expenditures by the Town. A goal set by the Board of Selectmen and I, along with previous Boards and Town Managers, was reaching the recommended levels of unrestricted reserves. In FY17, the Town of Sabattus obtained this goal and the Town has only continued improving on its financial well-being. The continued increase in unrestricted reserves demonstrates the Town's stable financial condition. These funds are critical in sustaining the Town through

unpredictable and unanticipated fiscal circumstances like we potentially face with the current pandemic.

Town staff, Board of Selectmen and Town committees made substantial gains and improvements within the recent years. These successes include road upgrades and ditching of Williams Road, Littlefield Road and King Road; the demolition of Webster Mill and implementation of zoning. These groups also lead in the upgrading of Town infrastructure with paving of public works and transfer station; remediation of mold from the two fire stations and installing emergency generator services for the fueling system. These improvements occurred while either reducing or maintaining a flat Mil rate.

During the past year and a half, the Town purchased several needed items that were approved at previous Town Meetings. The items include, but are not limited to:

- a 2020 Freightliner Plow Truck with accessories
- a 2019 Dodge Durango cruiser
- 5 new portable radios for the Police Department
- updated Hoses for the Fire Department
- on-demand generator for Public Works and fueling system
- 3 roll-off containers for the Transfer Station
- Digital Message Board for the Police Department

During the past two fiscal years, the Town completed lease purchases for the 4-wheel loader, 2016 Western Star plow truck, Tractor/sidewalk machine and paving of Transfer Station. The Town will additionally complete the bonds or lease purchases for 2013 Road Bond, Webster Mill demolition in the next few fiscal years. Within FY24 the Town will additionally pay off the majority of its remaining debt with completion of the bonds for Town Hall and William Road reconstruction pavement. That fiscal year, the Town will also complete the lease purchase for the 2020 Freightliner.

I must acknowledge the dedication and hard work by all our Town employees. This past year provided multiple challenges and every employee met these challenges without hesitation. Their dedication and work ethic truly reflects the community we serve. Additionally, you will notice that we have a new Fire Chief (Troy Cailler) and new Public Works Road Foreman (Craig Shaw). Both Troy and Craig bring new thoughts and service ideas to their positions

If you have any ideas on methods of improving services or increasing services, please feel free to visit me at the Town Office or e-mail me at [award@sabattus.org](mailto:award@sabattus.org). Additionally, like

us on Facebook and visit our website ([www.sabattus.org](http://www.sabattus.org)) for information on what's happening with your Town government.

Respectfully Submitted,

A handwritten signature in blue ink, appearing to read 'Anthony Ward'.

Anthony Ward  
Town Manager

Dear Residents of Sabattus,

On behalf of all who serve the Town of Sabattus, I am happy to present the 2019 Annual Report. Through a collaborative effort with Town Manager Tony Ward, Select Board Members, community leaders and unwavering community support, we have worked hard to provide the highest level of professional work and services to the citizens of Sabattus. Every member of your police department strives to demonstrate a commitment to our Vision and Mission through the guidance of our Core Values of Loyalty, Integrity and Professionalism. The purpose of this report is to highlight the department's achievements and to present information to keep our community informed.

In 2019, the Sabattus Police Department hired Dan Davies as our Lieutenant. Dan came to Sabattus with over two decades of law enforcement experience that included investigations, supervision, internal affairs and administration. He was able to quickly assume the responsibilities of the position and has proven to be a vital member of the Sabattus team.

As a police chief, one priority has been to be sure our police officers are professionals and stay up-to-date on the latest training. During 2019 members of the department received on average 100 hours each of advanced training. Some of the valuable training Sabattus officers received included: Street Crimes; Command Leadership; Social Media Investigations; Less Lethal (options) and Drug Interdiction Traffic Stops.

I believe it's important that individuals or teams are recognized for outstanding service to their community, therefore we held our first annual awards ceremony in July. We will continue this new tradition each year going forward. The highest award this year went to Officer Gregory Mailhot for "*Rookie of the Year*". Several other awards were given as I looked into our files for the past three years. To see each award given, please see our awards album on our Facebook page.

OFFICER GREG MAILHOT –  
SABATTUS' 2019 POLICE  
ROOKIE OF THE YEAR AWARD

## **Community**

During 2019, the Sabattus Police Department enhanced and built new programs and provided these services to our community. A few of these programs I've highlighted below:

- Junior Police Academy – This was conducted at the Middle School with 6-8<sup>th</sup> Grade students. The program was designed to inspire young people to be useful, honorable and an asset to their community. Officer Peter Theriault volunteered his own time each week to bring this program to the students.
- We continued our Daycare program – Officers continued to check in with their adopted daycare when they worked the day shift.
- Community Spotlight – Officers continue to make it a point to highlight community members they catch doing something positive in our community. Often they capture these moments on camera and post to our Facebook or Instagram account.
- Sabattus American Legion Breakfast – In 2019 we began making it a point to have breakfast with our veterans and their friends and families. This has been a great experience for our department as we have met many people in our community and learned a lot about community members and our veterans.

## **Grants**

The Sabattus Police Department received \$3,500 in Byrne Jag Grants for the purchase of new level 3 holsters for all officers and updated lights for each of their weapons as well. In addition, we received a Bureau of Highway Safety grant to certify an officer as a Phlebotomist. Having a phlebotomists in our department will allow us to quickly obtain a blood sample from an OUI suspect, from a suspect at an arrest scene, or assist us when DNA evidence is needed in serious cases.

During this same period of time, the Department received over \$11,000 in funding from the Bureau of Highway Safety for additional patrols focusing on Distracted Driving enforcement; \$10,000 in funding for additional patrols focusing on OUI (alcohol/drugs) violations and over \$7500 in funding for additional patrols focusing on seatbelt related enforcement. The funds spent in overtime expenditures increased the number of patrol hours for Sabattus officers without any impact to the Town's budget or mill rate.

## **Statistics**

I believe the key component to the low crime rate in Sabattus is the work of our officers. They truly embrace community policing and spend time building relationships within the community, developing partnerships and engaging in problem solving. The work they do and the time they spend out in the community every day is a big part of why our crime rate is remarkably low and contributes to why we are the safest community in the State of Maine.

Calls for service went up by 4% from 2018 to 2019, with 6243 calls for service in 2018 and 6487 calls for service in 2019.

Traffic enforcement has been aggressive this year in Sabattus. As a result, traffic collisions have seen a notable decrease over the last year. Our numbers dropped from 191 to 58 this year. That is a 69% decrease. A large majority of violators were given verbal warnings, not a fine. I believe that is a big win for our community on so many levels.

Sabattus officers made 39 OUI (alcohol/drug) driving arrests in 2019, up from 24 the previous year. That's a 62% increase. These arrests make our community a safer place to live and work as well.

The table below gives you a more detailed view of 2019:

Call Type	Total s	Call Type	Total s	Call Type	Total s
MV Accidents	58	Domestic Disturbance	56	Assist Other Department	118

## **2019 ANNUAL REPORT**

To the Citizens of Sabattus,

Let me first start off by introducing myself to all that have not met me yet. My name is Troy Cailler and I was hired as the new Fire Chief for the Town of Sabattus Fire Department on March 2<sup>nd</sup> 2020. I have been in the fire service since 2008 when I joined my hometown department of Litchfield. I attended college at Southern Maine Community College in South Portland where I studied fire science. I was hired by the City of Lewiston Fire Department in 2013. May 2<sup>nd</sup>, 2020 will make 7 years for me with the Lewiston Fire Department, I currently am assigned to Lewiston Engine 4 which is located on Sabattus Street.

I was very excited to take the job as Fire Chief for the Town of Sabattus. I would like to thank the select-board members and the town manager for putting their trust and faith in me to direct this great organization as we move forward. I will say my first few months as Fire Chief have been more than I anticipated they would be. As the saying goes, “work into things slowly” well, let me tell you, things have been the complete opposite. In my first two months as Fire Chief the Town of Sabattus has seen a 2.1 magnitude earthquake, a freak April blizzard, a working fire with a “Mayday” for two firefighters trapped, a national pandemic and a water rescue of 3 civilians from Sabattus Pond. To say I have jumped in with two feet would be an understatement. However, I wouldn’t have wanted it any other way.

This year’s annual report will be a bit shorter as I do not have a whole lot of information to pass along as I have come into the organization very close to the end of the fiscal year. With that being said I will try to bring everyone up to speed on what is currently going on and what has changed. We are moving forward and making positive changes each day!

In 2019 the Sabattus Fire Department responded to 542 calls for service. Out of these 542 calls, 342 were medical calls and 200 of these were fire calls. On 9/1/19 the Sabattus Fire Department increased its daytime staffing program from 1 FF/EMT 3 days a week to 1 FF/EMT to 5 days a week. With this increase in daytime coverage the Sabattus Fire Department has been able decrease the number of calls that go unanswered. Below you will see a table for the amount of calls for service and the amount of calls for service that went unanswered for the year of 2019. It is without a doubt a positive change in my opinion, for not much money the town is gaining coverage of Fire/EMS services 40 hours a week. It is my hopes as we move forward we are able to add additional staffing to make our responses more effective and efficient for the town and its citizens.

This past year had a lot of changes at the Sabattus Fire Department, a new chief, a new lieutenant, multiple new firefighters. When it comes to our apparatus I think everyone knows we have an aging fleet. With that being said we had to take two pieces of apparatus out of service due to being unsafe and beyond repair. Our Rescue and our Squad truck have been removed from service and are no longer on the road. Additionally; this past year our 2 fire engines have required us to spend a lot of money on needed repairs to keep them in service. Our Engine 2 which is a 1991 E-One/Mack has been out of service for numerous extended periods throughout the year. These repairs have included, rebuilding the pump, custom exhaust fabrication, rust repair, etc. We have spent about \$15,000 on repairs to this apparatus this year alone. The Assistance to Firefighters Grant that was submitted for a new fire engine has been denied. This year it was place in the capital improvement plan for the fire department to replace the fire engine & squad truck. It was also proposed to purchase a command vehicle for Incident Command operations on emergency calls. I would like to ask for the towns support at the annual town meeting so we can replace these vital pieces of equipment.

CHIEF TROY CAILLER

190 MIDDLE ROAD  
SABATTUS, MAINE 04280

TCAILLER@SABATTUS.ORG

207-375-4201

Lastly; I am sad to pass along this news but Assistant Chief Stephen Coffey has decided to step down from the fire department. On April 17<sup>th</sup>, 2020 Steve completed his Doctoral Program. I would like to wish Steve well and would like to thank him for all his hard work at the Sabattus Fire Department over the past years. You have helped mold and grow this organization over your tenure here. Steve has been in the fire service since 1990, so to say he has earned some time to himself would be an understatement. Thank you for accepting me and helping make my start with the Sabattus Fire Department painless. Please know you will always have a coffee mug in the cabinet at the fire house!

We have many exciting things happening this year at the Sabattus Fire Department. I would like to thank everyone in the town for their continued support during these trying times. I am excited to see where this department can go in the next few years. Please stop by once the pandemic is over and have us show you around.

Respectfully,

**Troy Cailler**

# Code Enforcement

**Dennis J. Douglass**

Code Enforcement Officer, Building Inspector,  
Licensed Plumbing Inspector, 911 Addressing Officer

The Code Enforcement Officer, Building Inspector and Plumbing Inspector administers law relating to land use such as; building codes, shoreland zoning, minimum lot standards and the Maine Plumbing rules.

A major function of the Code Enforcement Office is to provide information to the public and to assist property owners in making prudent land use decisions. The office receives many requests for information on subjects ranging from land use regulations and building matters to issues involving State and Federal laws.

The office has an extensive collection of reference materials and can provide answers to some fairly complicated questions.

All construction within the boundaries of the Town of Sabattus requires a permit(s). Applicants may contact the Code Enforcement Officer at 751-6778 for any questions they may have. The Code Enforcement Office may also be contacted on the Internet at [www.sabattus.org](http://www.sabattus.org).

**A permit is required for all new construction / remodeling / demolition / signage**

**A permit is not required for repairs**

**A permit is not required for a boundary fence (max. 6' height)**

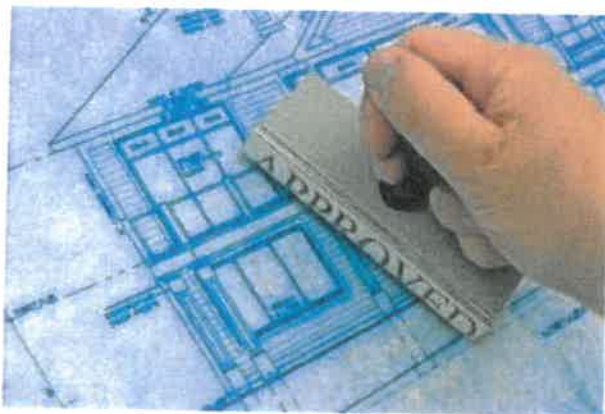

## Code Enforcement Hours of operation:

Tuesday - 8:00am to 6:00pm

Wednesday - Evenings by appt.

All other times available by phone at #751-6778

Inspections are done as needed during regular daytime work hours any day during the normal work week.

# TOWN of SABATTUS

## Public Works Department

26 Pleasant Hill • Sabattus, Maine 04280 • Phone: (207) 375-8702 •

To the citizens of Sabattus.

Good day. My name is Craig Shaw, I am the new Road Foreman for Sabattus. I was hired in December of 2019. There have been many new and exciting much needed changes for the public works garage over the last few months. We are currently working with a 6-man crew including myself. We are in the middle of replacing a man at the time of this letter. That position is the assistant Road Foreman. This will bring us to a 7-man full time crew. That in itself is a challenge having a small crew. I am proud of and amazed every day how the guys are handling things. They are a great crew, professional, and always rise to the occasion when needed.

I am proud to announce we have a brand new 2020 Freightliner dump truck fully equipped to plow. That truck will be on the Bowdoinham area run and replacing a Ford L8000 1996 dump truck. All of the Public Works crew thanks the Town for approving this purchase at last year's Town Meeting.

GPS units were installed in all the equipment this past winter. This will be a great tool going forward with better serving the town. Fuel use, plow route planning, security and safety of our drivers, recall alerts, engine diagnostics, and many more great features are included in this tool. It has been remarkably successful so far.

Having been brought on board halfway through the 2019/2020 winter season has had its challenges. I am greatly confident that the next winter season will be a great success due to some things **we** will be implementing. Better utilizing sand/salt by using road and air temp gauges we installed in plow trucks to better understand the road conditions in real time, adjusting plow routes, having an extra man out in a plow truck, and having learned the lay out of the area over this past winter.

Below are a few of the things we will be working on during the 2020/2021 seasons.

### Spring of 2020.

Our main goal right now is ditching, shoulder and culvert work along with repairing any damage that was caused to the roads over the winter with plowing operations. Road sweeping and cleaning out storm drains. Cutting brush and some problematic trees around town with the usual cemeteries and lots we mow. This is also a time where I am personally familiarizing myself with NON winter operations due to coming on board halfway through winter. I am currently working on building relationships with vendors and salesmen to get the best service we deserve at the garage.

### Summer of 2020.

We will continue to work on road maintenance saving the roads we have replaced over the last five years. Crack sealing, more ditching and shoulder repair along with some brush removal. Sign replacement and repairs as well. There will be no major road replacements this summer for the town of Sabattus. The Town recognizes that a few roads are in need of major repairs, but our crew does not have sufficient time to properly prepare these roads for a major rehab this year. Rest assured, we will be

getting the required engineering from the Army Corp of Engineers and to move forward with these repairs. We anticipate apply for grants in the fall to minimize any costs associated with future repairs.

We are adapting to this Covid-19 disaster. This has affected the way we will be doing some work this summer. Some projects are on hold until 2021. Many vendors, construction companies, and other services we need for large projects are not working and due to time constraints this will cut into a few things I had planned this summer. We will presumably pick up where we left off in the spring/summer of 2021 with these major repairs. I appreciate everyone's patience during this time. I do see the problems and I do hear the concerns. They will be addressed as soon as we are able.

Fall of 2020.

We will be changing gears to prepping our equipment for winter operations. One thing I will be implementing is a Winter Road Service Plan. This will better outline our plan for the winter and how we handle different storms, our requirements and how we will respond to them. This will better provide the town residence a more stable and consistent level of service for the roads in the winter. We will also be wrapping up any left-over issues from the list of summer work and winterizing the garage and its equipment. Preparing our winter sand/salt "hot mix" will be at the top of our list as well.

Winter of 2020/2021.

We will continue to provide the best level of service we can provide to the town of Sabattus. Our fleet will be ready for whatever old man winter throws at us. The crew will continue to work it regular 40 hours on top of any storms that hit 24/7. Plowing, treating the roads, snow removal downtown, changing out cutting edges, maintaining sanders along with whatever regular maintenance issues come up will be taken care of in a timely fashion.

I thank you all for the support in this time of change at the garage. We will continue to provide the best service you all deserve in the future. As always, my phone is always on. Feel free to contact me at the garage any time. Be safe.

Craig Shaw. Road Foreman Sabattus Public Works.

## Transfer Station

To the Citizens of Sabattus

Recycling tonnage rate was 38% for 2019(the most current available) which was 12% below the State of Maine recycling goal. With the help of citizens, we can improve our recycling rate, increase our revenue and decrease our household waste as well as reduce the tipping fee charged to the town to dispose of waste.

### 2019 Recycling Statistics

Cardboard	48 Tons	Household Waste Shipped Out	707 Ton
Newspaper / Magazines	31 Tons		
Mixed paper	52 Tons	Demolition Debris Shipped Out	360 Tons
Glass	9 Tons		
Tin/aluminum	8 Tons	Wood Chips Shipped Out for Fuel	320 Tons
Plastic 1-7	24 Tons		
TVs/ computers etc.	15 Tons	Tires Shipped out For Recycling	7 Tons
Metal	116Tons		

By taking recycles out of the waste stream, citizens saved \$11,524.00 in tipping fees and collected \$43,830.00.00 from the sale of recycled material and demo wood /electronics/metal fees.

Reminder Clear trash bags are required and are available for purchase at the transfer station.

Syringe users, please use a container of hard plastic such as a laundry detergent bottle with a cap. Place your used syringe inside the bottle and secure the cap before disposal and put it in household waste stream

I would like to thank my outstanding staff for doing a great job this past year.

Leadman, Michael Whitney, Clifford Michaud, Arthur Cefalo, David Pomerleau & Paul Longtin

Any resident seeking information regarding the Transfer Station, please leave a message for Jerry at 375-2507 or visit the town website at [www.sabattus.org/our government/Transfer- station](http://www.sabattus.org/our government/Transfer- station)

Respectfully submitted,  
Jerry Sabins  
Transfer Station Manager

## SABATTUS SANITARY DISTRICT'S ANNUAL REPORT 2020

April 2020

The Sabattus Sanitary District's mission is to continue to serve it's customers in a professional manner and strive to achieve quality effluent through its wastewater treatment process and to protect the environment by meeting its discharge permit to the Sabattus River. The Department of Environmental Protection sets strict limits to achieve through our discharge permit and we take pride in meeting those limits on a continual basis. The District continues to go above and beyond to adapt and establish good working relationships with its customers and the people they work with to achieve the goals they set forth in the most cost effective manner, without affecting the quality of its work and product. Clean and safe drinking water is also a priority for the District as well as providing fire protection to its customers and residents of the community. Since its establishment in 1969, the drinking water in Sabattus meets all of the standards set forth by the State and Federal agencies and its guidelines. The District provides an excellent quality of water provided through 2 gravel packed wells approximately 60 feet deep and pulls water from an underground aquifer. The District does not add any chemicals to its water supply. The District collects required monthly samples and performs testing to assure safe and great tasting quality water to its customers.

The Sabattus Sanitary District received 4 new residential sewer hook ups in 2019, and the water received 3 new services. In 2019, fortunately the Water Division encountered only 1 water break located on Maple Lane. The total water pumped from Marsh Rd. pump house for 2019 was 51.58 million gallons, with a daily average of 144,890 gallons per day. All required sampling set by the State were met. The Sewer Division treated approximately 34.76 million gallons, with a daily average of 97,640 gallons per day discharged into the Sabattus River. No violations occurred in 2019. Again, all testing required by the State met their requirements.

The sewer rates were adjusted and raised effective January 1, 2019 to meet the department's obligations. The rate increase will occur over a 2 year

period to help lessen the burden to our rate payers. With little growth and no commercial users to help offset the costs of operations, it is always a challenge to keep rates stable for our customers. The Water division also had a rate increase in 2019-2020 to meet its obligations. The District used its auditor to prepare the rate case and was submitted and approved by the PUC. The District reviews its audits and rates annually.

The District is always working and updating its Capital Improvement Plan (C.I.P.) for both departments. The District currently budgets these capital expenses and reserve accounts in its annual budget.

The District continues to contract with the Town to do all of its administrative duties in an order to save money and keep rates stable. All Payments will be made at the Town Office. We continue to communicate with the Town Manager and his staff on upcoming projects, safety issues etc... that benefit not only the employees but the ratepayers. The District is always looking for ways to provide its customers with the best quality product and do it in a cost effective manner.

The District has retained Olver Associates from Winterport Maine, and has been working on a plant study as well as an income survey to be able to apply for grants and funding for a proposed wastewater treatment plant upgrade for 2021-2022. The last upgrade was completed in 1989, 31 years ago. The process for funding, planning, etc. is typically a 2-3 year process. The District will be facing some challenges with strict requirements set by the D.E.P. such as phosphorus removal which will require additional treatment.

We have completed upgrading the original water supply pump house off of Riley Rd. This is the original pump house (1969) and we are upgrading the pump to a 20 horsepower submersible pump with new check valves. There will also be a new variable frequency drive which is the device that operates the pumps on/off function which is more energy efficient. This year we will be installing a variable frequency drive on the well pump at our main water supply pump house off of Marsh Rd.

Representatives from Oak Hill High School have approached the District to install approximately 3,100 feet of water main along with hydrants to service the high school which is currently on private wells. The District received

approval from the State of Maine Public Utilities Commission and the school will be responsible for all associated cost of the project. They are applying for grants and funding for the project. The project should be under way this spring or early summer.

Paul H. Morin  
Superintendent  
Sabattus Sanitary District & Water Division

## **ASSESSORS' AGENT & TAX COLLECTOR'S ANNUAL REPORT**

The Town of Sabattus maintains permanent records with title information, descriptions of land and buildings, and the valuation of all properties taxable and exempt, tax maps, lists of property, property tax cards, commitment books, exemption applications and proof of qualifications.

### **Property Tax Exemptions**

#### **Homestead Exemption**

Under this law, homeowners are eligible for a \$25,000 for Tax Year 2021. In order to qualify you must have owned property in Maine for at least twelve months prior to April 1st and make the property you occupy your permanent residence.

#### **Veteran's Exemption**

A home owner may be eligible for a reduction in the valuation of his/her property if s/he:

- Has permanent residence in Sabattus on April 1<sup>st</sup>
- Is a veteran who was honorably discharged.
- Served during a recognized war period in the U.S. Armed Forces
- Is 62 or older or an unremarried widow/widower of a qualifying veteran
- Is under age 62 but 100% disabled due to a service-related disability.

An application along with proof of service and discharge, such as a copy of a DD214 form must be provided for veterans who served during WWII or later. The exemption is a \$6,000 reduction in valuation.

#### **Paraplegic Veteran**

A veteran that received a federal grant for a specially-adapted housing unit may receive an exemption of \$50,000 in valuation.

#### **Blind Exemption**

A homeowner that is determined to be legally blind by a medical doctor receives a \$4,000 exemption.

All of the above exemptions require a completed application and may require additional information to support the claim for exemption. All applications must be submitted to the Town Office no later than April 1<sup>st</sup> of any given year.

### **Current Use Programs**

The State of Maine offers the following "current use programs" which give the property owner a reduction in his/her assessed value. Applications for all these programs are available at the Town Office or at the Maine Revenue Services website ([www.maine.gov](http://www.maine.gov)). All applications must be filed on or before April 1st. In order to be eligible, each program has certain criteria that must be met. Any change in use of the land warrants withdrawal from the program and a penalty assessed.

#### **Tree Growth**

This program provides for the landowner with at least 10 acres of forested land that wishes to maintain land for the planting, culture, and continuous harvesting of trees. A Forest Management and Harvest Plan must be prepared and submitted with the application. Applications must include a map of the parcel indicating the forest type breakdown as well as all other areas not classified as tree growth. The 100% valuation per acre for each forest type by county is determined by the State Tax Assessor each year. If the classified parcel no longer meets the criteria of eligibility or the landowner withdraws from the program, a penalty on an amount between 20% and 30% of the difference between the tree growth value and the fair market value will be assessed depending on the amount of time in the program.

#### **Farmland**

In the farmland program, the land must be used for farming, agriculture, or horticulture. Farmland can include woodland and wasteland. At least five (5) contiguous acres of land is required and the tract must contribute at least \$2,000 gross income from farming activities per year in one of the two, or three of the five calendar years preceding the date of application. If the property no longer qualifies as farmland or the landowner withdraws from the program then a penalty will be assessed that is equal to: the amount of taxes that would have been paid in the last five years had it not been in the program, less the taxes that were originally assessed, plus any interest on that balance.

### **Open Space**

Under this program no minimum acreage is required and the tract of land must be preserved or restricted in use to provide a public benefit such as public recreation, scenic resources, game management, or preserving wildlife habitat. Classified land is valued by reducing the fair market value in accordance with a cumulative percentage reduction for which the land is eligible according to certain categories.

- Ordinary Open Space - 20% reduction
- Permanently Protected - 30% reduction
- Forever Wild - 20% reduction
- Public Access - 25% reduction

If the property met all of the above requirements, the owner would see a cumulative reduction of up to 95% on the classified land. If the classified parcel no longer meets the criteria of eligibility or the landowner withdraws from the program, a penalty will be assessed equal to: an amount between 20% and 30% of the difference between the open space value and fair market value depending on the amount of time in the program.

### **Property Tax Fairness Credit**

Eligible Maine taxpayers may receive a portion of the property tax or rent paid during the tax year on the Maine individual income tax return whether they owe Maine income tax or not.

**Who is eligible for the Property Tax Fairness Credit?** Homeowners or renters who meet all of the following requirements:

1. Were Maine residents during any part of the tax year;
2. Owned or rented a home in Maine during any part of the tax year and lived in that home during the year as a primary residence;
3. Paid property tax or rent on the primary residence in Maine during the tax year;
4. Meet certain income and property tax and/or rent paid limitations during the tax year.
5. Are not married filing separately.

**How does someone apply for the refundable credit?** To claim the credit, file Form 1040ME and Schedule PTFC or Schedule PTFC/STFC for the tax year during which the property tax or rent was paid.

### **\*\* Important Notice about property taxes for buyers and sellers\*\***

1. Under Maine law, payments of property taxes are the responsibility of the person who owns the property as of April 1<sup>st</sup>.
2. Both the buyer and seller may agree to divide the taxes between themselves, but if any part of the taxes are not paid, a lien will be filed in the name of the person who owned the property on April 1<sup>st</sup>.

#### **Please be Aware**

**If you are the seller-** Even if you no longer own the property, a lien may have a negative effect on your credit rating.

**If you are the buyer-** If a lien is filed in the sellers' name, The Municipality may still foreclose on your property for unpaid taxes.

Respectfully Submitted,

Donna Moore Hays, CMA, Assessors' Agent to the Board of Assessors/Selectmen  
Judy D. Fournier, Tax Collector

**ARTICLE WARRANT FOR ANNUAL TOWN MEETING  
TOWN OF SABATTUS  
August 20, 2020**

State of Maine  
County of Androscoggin, ss.

To Police Chief Sheila Wetherbee, a Constable of the Town of Sabattus, County of Androscoggin, State of Maine,

GREETING:

In the name of the State of Maine you are hereby required to notify and warn the voters of the Town of Sabattus, in said county, qualified by law to vote in Town affairs to meet at the Oak Hill Middle School in the Gymnasium at 40 Ball Park Road in said Town, on Thursday, August 20, 2020, at 6:00 o'clock in the evening, then and there to act on the following articles:

ARTICLE 1. To choose a moderator by written ballot to preside at said meeting.

ARTICLE 2. To see if the Town, in accordance with 36 M.R.S.A. Section 505(1), will vote that the tax lists specified in 36 M.R.S.A. Section 709 be committed for collection on or before October 03, 2020.

Board of Selectmen

Ought to Pass

ARTICLE 3. To see if the Town, in accordance with 36 M.R.S.A. Section 505(2) will vote to establish October 06, 2020 or 30 days after the tax bills are postmarked and mailed, whichever is later, as the due date for the first payment of the fiscal year 2020-2021 taxes and March 01, 2021 as the due date for the second payment.

Board of Selectmen

Ought to Pass

ARTICLE 4. To see if the Town, in accordance with 36 M.R.S.A. Section 505(4), will vote that property taxes shall be delinquent if not paid by the dates established in Article 3 and that interest, at the rate of 8.0% per annum, shall be charged on all delinquent property taxes.

Board of Selectmen

Ought to Pass

ARTICLE 5. To see if the Town, in accordance with 36 M.R.S.A. Section 506-A, will vote that a taxpayer who pays an amount in excess of that finally assessed shall be repaid the amount of the overpayment plus interest from the date of the overpayment at the annual rate of 8.0%.

Board of Selectmen

Ought to Pass

ARTICLE 6. To see if the Town will vote to authorize the tax collector to accept prepayment of taxes, the amount collected not to exceed the previous year's taxes. Interest on any prepayment will be zero (0) percent.

Board of Selectmen

Ought to Pass

ARTICLE 7. Shall the Town authorize the Selectmen to receive and appropriate non-property tax revenues to reduce the property tax commitment for the 2020-2021 fiscal year?

Anticipated non-property tax revenues for the fiscal year beginning July 01, 2020 include the following approximations of State and Town Revenues:

I. Excise Tax	\$ 850,000
II. Municipal Revenue Sharing	\$ 440,000
III. Homestead Exemption Reimbursement	\$ 400,000
IV. <u>All Other Non-Property Tax Revenues</u>	<u>\$ 312,260</u>
<b>Total ESTIMATED Non-Property Tax Revenues</b>	<b>\$2,002,260</b>

Board of Selectmen

Ought to Pass

ARTICLE 8. Shall the Town authorize the Selectmen to appropriate an amount not to exceed \$ 125,000 from Undesignated Fund Balance ("Surplus") to reduce the Property Tax Commitment for the 2019-2020 fiscal year?

FY 18/19
