## **What time period does the information in this Annual Report cover?**

All of the Town's financial information in this report (expenses, revenues and employee compensation information) is for the **2019-2020 Fiscal Year (FY20) beginning July 1, 2019 and ending June 30, 2020**. We are required to report audited financials for the Annual Town Report and FY20 is the most recent fiscal year for which we have audited figures. The current fiscal year that we are in (FY21) does not end until June 30, 2021.

However, because of the timing when we print the Annual Town Report nearly a year after the Town's last fiscal year ends, Department Head reports and other letters offer information based on different timeframes such as calendar year 2021 and more recent information when applicable.

The primary reason for different time periods is that the most current data for various areas of the Town operation: audited financials, tax assessments, crime statistics, building permits, etc., varies depending on the data source. In all cases, we strive to give you the fullest and most up-to-date information about Town operations. We have noted on each data table the specific time period for which the figures are related.

*2021 Town Meeting and Annual Town Report are dedicated*

*to*

*James Wood*

*The Town recognizes Jim's years of service and dedication to the Town of Sabattus. His nearly 70 years of service included serving on Fire Department, Public Works, Road Commissioner, Reserve Police Officer and Board of Selectmen*

# TOWN of SABATTUS

190 Middle Road • Sabattus, Maine 04280 • Phone: (207) 375-4331 • Fax: (207) 375-4104

Citizens of Sabattus,

I would be remiss if I did not mention the current societal effects created by the Coronavirus and stressors placed on our society. The continually changing environment altered communications methods and our Town's services. None of these temporary changes were taken lightly and we understood the implications for Sabattus residents. Our staff identified creative methods of providing essential services while ensuring everyone's health. While communities across the country are protesting and developing negative outlooks towards government, we have experienced the opposite. I have witnessed nothing but positive communications with our residents about any Town operational strategy. While residents might be frustrated by some of the temporary changes, their treatment of Town staff was nothing but cordial.

It is with professional and communal respect that we submit to you the Annual Report of the Town of Sabattus for the fiscal year ending June 30, 2020.

The purpose of an Annual Report is informing residents of the financial condition of the town and the operational aspects of each town department. Another purpose is informing the residents about potential long-term projects. I find the mixture of reporting the financial status of the Town for fiscal year 2020 and operational aspects for fiscal year 2021 beneficial because it provides larger representation of the Town's growth.

The Town's financial statement provides overview of the municipality's financial performance at a certain date in time while providing opportunities for comparison with past performances. Review of the current financial statement shows the stability of Sabattus with continued growth of revenues and frugal expenditures by the Town. A goal set by the Board of Selectmen and I, along with previous Boards and Town Managers, was reaching the recommended levels of unrestricted reserves. In FY17, the Town of Sabattus obtained this goal and the Town has only continued improving on its financial well-being. The continued increase in unrestricted reserves demonstrates the Town's stable financial condition. These funds are critical in sustaining the Town through unpredictable and unanticipated fiscal circumstances like we've been facing with the current pandemic.

The Board of Selectmen, Town Staff and I understand the financial constraints created by the pandemic and everyone worked diligently to minimize municipal spending. Last year the Board set a flat Mil Rate for the third year in a row with the use of Undesignated Funds and delaying the implementation of a market analysis. The Town continued to focus efforts on obtaining grant funding for projects or services provided. I am pleased to highlight that over the past year and half, various funding sources awarded the Town approximately \$550,000 in grant funding. These grants aided in probable repair of Marsh Road, purchasing of a new plow truck, safety equipment for Town employees, bullet-proof vests for our police officers, safety implementations for 2020 and 2021 elections, training for our police officers, upgrading of Town computers, the new electronic Town signage, personal escape systems for our firefighter, ice rescue equipment and lifter for one of our public works trucks.

I must acknowledge the dedication and hard work by all our Town employees. This past year provided multiple challenges and every employee rose to and met these challenges without hesitation. Their dedication and work ethic truly reflects the community we serve.

I must thank all the residents, employees and Board Members that assisted or guided me over the past 10-years. As I transition from the position as your Town Manager, I hold all my experiences with this community in high regards. Your kindness, generosity and sincerity helped mold me into the person I am today. I wish everyone reading this letter prosperity and good health. Please remember the soul of any community is the residents, businesses and volunteer groups. The bond between these stakeholders is what makes Sabattus the community it is.

Best Wishes,

A handwritten signature in black ink, appearing to read 'Anthony R. Ward', written in a cursive style.

Anthony Ward  
Town Manager

Dear Residents of Sabattus,

Many citizens do not realize the sacrifices, danger, and family hardships involved in police work; but regardless, our officers willingly respond within minutes to any situation, to assist you as they put themselves in harm's way. They successfully perform their jobs day-after-day with a commitment to our Vision and Mission. Loyalty, Integrity and Professionalism remain at the core of our values.

The Sabattus Police Department currently staffs nine (9) sworn officers and one Administrative Assistant. In 2019 we handled a total of 6487 calls for service. In 2020, we handled 7,596 calls. This reflects a 17% increase in the calls for service. Officers made a total of 251 arrests for 2020. *More detail is shown in the table below.*

The year of 2020 was filled with challenges; Across the country there has been a rapid decline in those choosing a career in law enforcement. In Sabattus it has become increasingly difficult to retain officers as they leave for higher pay or more opportunity in their chosen field. As they move on, the pool of qualified candidates has dwindled significantly. With that said; Sabattus has been aggressive with their hiring campaign and search for quality candidates - as a result we have managed to attract quality officers and fill all of our vacant positions soon after they were vacated. This has allowed us to maintain the high level of service community members are accustomed to. In 2020, the Sabattus Police Department hired several new officers; Phillip DiLuca, Isaac Labonte, Ryan Jones (SRO) and Michael Cote. An additional position was approved as well and was filled January 1<sup>st</sup>, 2021.

The Covid-19 epidemic has changed many aspects of daily life to including how our police department functioned in 2020. We were forced to leave behind community-oriented policing, which was a big part of our department. Social distancing made it challenging to interact with members of the public. We took many of our calls over the phone rather than in-person and modified our lobby hours and access. If we needed to

meet with anyone in person, an officer tried to meet them outside in the open. We do not intend on being this impersonal in the future. We enjoy interaction with the public and we want to be there when they need us. We are looking forward to getting back to normal.

We did not have any officers test positive for COVID-19 as they have been diligent with respect to safety precautions to protect themselves and the people they serve. We will continue to keep up with all the mandates from the state and adapt them to our department until the epidemic is brought under control.

**Community**

- Junior Police Academy – This was conducted early 2020 at the Middle School with 6-8<sup>th</sup> Grade students. The program was designed to inspire young people to be useful, honorable and an asset to their community. Unfortunately, the program was cut short due to the Covid-19 outbreak.
- Wreaths Across America – Sergeant Michael Chaine participated in this event. This was our 3<sup>rd</sup> year. As well, we were asked to be one of two departments in Maine to coordinate and run the Maine portion of WAA in future years. We hope to continue to honor the selfless service of our fallen military members by continuing this tradition.
- Overall, Community Policing was down by about 67% directly due to the Covid-19 epidemic.

**Grants**

The Sabattus Police Department received a total of \$74,445 in Grant funds in 2020 for the following:

● Bureau of Highway Safety	*Traffic Details	29,250
● EMA	Training	950
● Homeland Security	Digital Forensics program	12,675
● Firehouse Subs	AEDs (7) and pads	9,432
● Byrne/Jag 2020	weapon accessories	2,520

- EMPG-S Covid-19

Computers, docking stations, E-ticket printers, PPE  
Town sign, etc

19,628

*\*The traffic details focused on Distracted Driving enforcement, Impaired Driving (alcohol/drugs) violations and seatbelt related enforcement. These funds allowed us to increase the number of patrol hours for Sabattus officers without any impact to the Town's budget or mill rate.*

### Statistics

The key component to the low crime rate in Sabattus continues to be due to the commitment of our officers. The work they do and the time they spend being seen in the community is a big part of why our crime rate remains low and contributes to why we remain the safest community in the State of Maine. We ranked #1 again as the safest small town in the state for 2020.

Call volume and calls for service went up slightly this year with Covid. Traffic went down 54% in 2020 from 2113 to 969. As a result, we saw a 154% increase in traffic crashes from 58 in 2019 to 147 in 2020. As much as drivers do not like to be the subject of a traffic stop and scrutiny, it does cause them to be more aware, thus reducing avoidable crashes.

Sabattus officers made 251 arrests from criminal actions in 2020. These arrests continued to make our community a safer place to live and work as well.

The table below gives an idea of the types of calls we handle most often:

In closing I would like to say that this will be my final report to you. Since 1990 I have spent most of my time serving the citizens of Maine. I am looking forward to my retirement the Summer of 2021. I was proud to have invested my last years to the officers of this department and be a part of the internal growth.

I leave you with a professional, well trained, committed group of officers. My hope is that the community will welcome and support a new chief and continue to support the department as this community always has.

At times, it was the most difficult of jobs; but I always put the citizens and members of the Sabattus Police Department first. You may not have agreed with every decision I made but I did what I felt was in the best interests of the town and the officers that serve you.

I always attempted to equip our department with the latest technology and equipment, keeping in mind this had to be done with fiscal prudence.

I'm proud of the work the department has done since my arrival and remain humbled by the tremendous support we receive in this community. Thank you for your unwavering support.

Respectfully Submitted,  
Sheila R. Wetherbee

## **Annual Town Report**

*Dear Citizens of Sabattus;*

*Let me first start off by thanking everyone for their continued support over the last year. The department and the community made my first year as fire chief easy and exciting. It has not been an easy year for any of us due to the current situations going on in the world, however I think we made it through and grew even stronger as a department and a community together.*

### **Apparatus:**

*First off; WE HAVE A NEW FIRE TRUCK! I would like to thank the towns people for the support last year at our town meeting when the new fire truck was voted on and approved. We signed a contract with Pierce MFG on September 1<sup>st</sup> and we took delivery of the new truck on December 18<sup>th</sup>. We trained on the truck for about a month and a half as well as mounting/moving tools to it. The new Engine 6 was placed in service on January 31<sup>st</sup>. It responded to its first call on February 1<sup>st</sup> for a car accident on Crowley Road. The members continue to train on this vehicle weekly, keep an eye out for it on the road!*

*The next big piece of information for us, we now have a command vehicle for the first time ever. Again, we cannot thank the citizens enough for the support in taking the old Sabattus Police Departments Ford F-150 and turning it into the new Sabattus Fire Departments command vehicle. This truck has been retro-fitted and now has Fire/EMS equipment to aid the department in almost any sort of capacity that is needed on scene.*

### **Membership:**

*Since taking over last year on March 2<sup>nd</sup> we have been able to change the number of on-call firefighters we have in-house now. Over the last year we have been able to add multiple new firefighter/ems providers to the department. We have added Justin Robash – Firefighter/AEMT, Samantha Mayo – Firefighter/EMT, Keith Saunders – Firefighter/Paramedic, Dann Clark – Paramedic (currently enrolled in Firefighter 1-2), Amy MacDonnell – AEMT, Billy Bergeron – Firefighter/EMR, Dustin Larochelle – Firefighter (currently enrolled in Firefighter 1-2), Mark Moulton – Firefighter, Shaun Fleck – Firefighter, Derrick Webb – Firefighter (taking his EMT class this summer), Bruce Ouellette – Firefighter, David Demers – Firefighter/Paramedic & Alec Duquette – Firefighter. Our per-diem program is going extremely well, we currently have staffing Monday-Friday from 7:30am-3:30pm with (1) Fire/EMS provider. This position has been instrumental in helping keep the citizens of the town safe and increase the amount of calls we are able to respond to daily. We also made a few promotions over the last year, Firefighter Robert Gayton was promoted to the rank of Assistant Chief and Firefighter Zach Campbell was promoted to the rank of Lieutenant.*

**Grants:**

*The Sabattus Fire Department has been very fortunate over the last year to have received a few grants from various organizations for the purchase of new and updated equipment. The department received a \$10,000 Stephen King grant which we purchased new water rescue equipment, rope rescue equipment and stokes baskets for both trucks. We received a \$2,000 FM Global grant for technology upgrades, we purchased a DJI Drone, iPad keyboard, a new laptop and projector for our training room. We also received a \$2,000 MMA grant for the purchase/upgrade of our gas meters, now all of our trucks have a gas meter on them vs only 2 like we had before. Lastly, we received a \$10,985 grant from the Joey D Foundation for class 2 harnesses and personal escape systems for 20 of our members plus training. We continue to write grants monthly hoping to gain as much outside funding as possible.*

**Calls for Service:**

*Last year was a record year for the Sabattus Fire Department. We were called to 630 Fire & EMS calls for the 2020 calendar year. This far surpassed 2019 which was 542 calls for service. This amount of calls equaled out to about 1.7 calls per day, this amount of calls is extremely taxing on our volunteer membership. Out of these calls we had a few very major incidents that I believe displayed a high level of professionalism and dedication. Without the dedication and highly trained aspect of our membership these calls could have had a much worse outcome. I am proud of the work we did all year long on these calls for service.*

**Training:**

*With the current pandemic and COVID being such a hot topic a lot of our trainings/outside training opportunities were cancelled. However, we still were able to log some very good and in-depth training hours for our members in-house and with outside vendors. The Sabattus Fire Department had a total of 1,286 combined hours of Fire/EMS training for the calendar year of 2020 between all of our members. That is something to be proud of!!*

**Recap:**

*As we move into the year 2021 we have started the year off fast with a lot of good trainings and a busy time for calls. We continue to push each day to make sure we are the most prepared to answer the call in your time of need. On behalf of myself and the entire Sabattus Fire Department we want to thank you for all you do for us and for the community. We hope you have a safe, happy and healthy year!*

Respectfully;

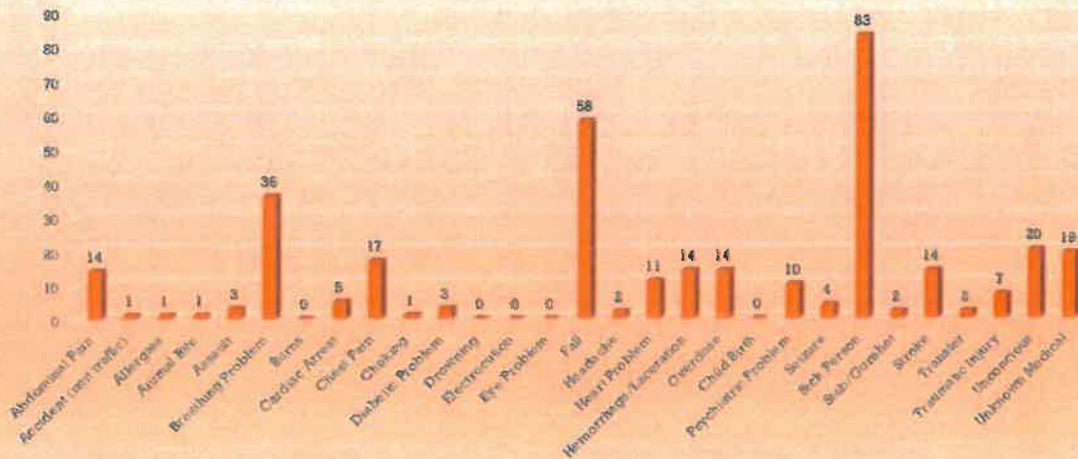

*Troy Cailler - Fire Chief*

Code Enforcement Officer, Building Inspector,

Licensed Plumbing Inspector, 911 Addressing Officer

The Code Enforcement Officer, Building Inspector and Plumbing Inspector administers law relating to land use such as; building codes, shoreland zoning, minimum lot standards and the Maine Plumbing rules.

A major function of the Code Enforcement Office is to provide information to the public and to assist property owners in making prudent land use decisions. The office receives many requests for information on subjects ranging from land use regulations and building matters to issues involving State and Federal laws.

The office has an extensive collection of reference materials and can provide answers to some fairly complicated questions.

All construction within the boundaries of the Town of Sabattus requires a permit(s). Applicants may contact the Code Enforcement Officer at 751-6778 for any questions they may have. The Code Enforcement Office may also be contacted on the Internet at [www.sabattus.org](http://www.sabattus.org).

A permit is required for all new construction / remodeling / demolition / signage

A permit is not required for repairs

A permit is not required for a boundary fence (max. 6' height)

# TOWN of SABATTUS

## Public Works Department

26 Pleasant Hill • Sabattus, Maine 04280 • Phone: (207) 375-8702 •  
Cell: (207) 576-9406

To the fine citizens of Sabattus,

Good day, from the desk of the road foreman. For those that I have not met or do not know, my name is Craig Shaw, I am the current Road Foreman for Sabattus. I was hired in December of 2019. We are currently working with a 6-man crew including myself. We have recently hired an assistant road foreman to help tackle some of the administrative duties as well as supervision of some field work. I am very proud of the crew here at the PW with the way they adapt and overcome the challenges thrown at them on a daily basis. The crew is a great crew, and as always very professional, and always rise to the occasion when needed.

I am proud to announce we have a brand new 2020 Freightliner dump truck fully equipped to plow with an added belly scraper set up that is being built at Viking in Lewiston. The truck should be ready to deliver to us in the Spring of 21. This truck was purchased with a very helpful grant we could not pass up. That truck will be on the Rt 9 Middle Road/State roads. The Public Works crew thanks the Town for approving this purchase at last year's Town Meeting.

The GPS units that were installed in all the equipment last year are working great with our fleet utilization, fuel management, plow run efficiency, and accountability. This is a great tool going forward with better serving the town. The engine diagnostic feature has helped save the PW money with figuring out some mechanical issues we were able to fix in house as to sending it out to a mechanic.

I was brought on board halfway through the 2019/2020 winter season. I have spent many hours with the crew learning what works for the town of Sabattus. I have also learned what does not work and have implemented new ideas into the fold, and with that information I have taken a hands-on approach with the citizens when it comes to questions and concerns. My door is always open.

Below are a few of the things we will be working on during the 2021/2022 seasons.

### Spring of 2021

Our main goal right now, again is the same as last year. We will be ditching, filling in shoulders and culvert work along with repairing any damage that was caused to the roads over the winter with plowing operations. We will be utilizing the new hot box for paving any areas we dig up involving hot top and repairing areas around town that need to be dealt with. Road sweeping and cleaning out storm drains started in March. The lack of snow has helped us get an early jump on Spring clean-up around town. We have a large amount of tree and brush cutting to be done by the crew along with maintaining the usual cemeteries and lots we mow.

### Summer of 2021

We will continue to work on road maintenance along the road sides with ditching to aid in water flow off the roadways to prevent the hot top from breaking down along with more brush/tree removal as brush grows through the summer months. Street sign replacement and repairs as well.

Craig Shaw. Public Works Foreman

[cshaw@sabattus.org](mailto:cshaw@sabattus.org)

Fall of 2021

With fall we will be changing gears to prepping our equipment for winter operations. We will also be wrapping up any left-over projects from the list of summer work and winterizing the garage and its equipment. Preparing our winter sand/salt "hot mix" will be at the top of our list as well.

Winter of 2021/2022

We will continue to provide the best level of service we can provide to the town of Sabattus. Our fleet will be ready for whatever comes. The crew will continue to work it regular 40 hours on top of any storms that hit 24/7. Plowing, treating the roads, snow removal downtown, changing out cutting edges, maintaining sanders along with whatever regular maintenance issues come up will be taken care of in a timely fashion.

I thank you all for the support at the PW garage. We will continue to provide the best service you all deserve in the future. As always, my phone is always on. Feel free to contact me at the garage any time.

Thank you,

Craig Shaw  
Road Foreman Sabattus Public Works.

## Transfer Station

To the Citizens of Sabattus

Recycling tonnage rate was 30% for 2020 the most current available ) which was 20% below the State of Maine recycling goal .With the help of citizens, we can improve our recycling rate, increase our revenue and decrease our household waste as well as reduce the tipping fee charged to the town to dispose of waste,

### 2021 Recycling Statistics

Card board	50 Tons
Newspaper / Magazines	10 Tons
Mixed paper	46 Tons
Glass	8 Tons
Tin/aluminum	8 Tons
Plastic 1-7	19 Tons
TVs/ computers etc	15 Tons
Metal	100 Tons
Wood Chips	200 Tons

By taking recycles out of the waste stream citizens saved \$13,752.00 in tipping fees and collected \$34,414.00 from the sale of recycled material and demo wood /electronics/metal fees.

Reminder Clear trash bags are required, and are available to purchase at the Transfer station.

Syringe users please use a container of hard plastic such as a laundry detergent bottle with a cap. Place your used syringe inside the bottle and secure the cap before disposal and put it in household waste stream

I would like to thank my outstanding staff for doing a great job this past year.

Leadman, Michael Whitney, Clifford Michaud, Arthur Cefalo, David Pomerleau & Paul Longtin

Any resident seeking information regarding the Transfer Station, please leave a message for Jerry at 375-2507 or visit the town website at [www.sabattus.org/our government/Transfer- station](http://www.sabattus.org/our-government/Transfer-station)

## SABATTUS SANITARY DISTRICT'S ANNUAL REPORT 2021

April 2021

The Sabattus Sanitary District's mission is to continue to serve its customers in a professional manner and strive to achieve quality effluent through its wastewater treatment process and to protect the environment by meeting its discharge permit to the Sabattus River. The Department of Environmental Protection sets strict limits to achieve through our discharge permit and we take pride in meeting those limits on a continual basis. The District continues to go above and beyond to adapt and establish good working relationships with its customers and the people they work with to achieve the goals they set forth in the most cost effective manner, without affecting the quality of its work and product. Clean and safe drinking water is also a priority for the District as well as providing fire protection to its customers and residents of the community. Since its establishment in 1969, the drinking water in Sabattus meets all of the standards set forth by the State and Federal agencies and its guidelines. The District provides an excellent quality of water provided through 2 gravel packed wells located off of Riley Rd. and Marsh Rd. approximately 60 feet deep and pulls water from an underground aquifer. The District does not add any chemicals to its water supply. The District collects required monthly samples and performs testing to assure safe and great tasting quality water to its customers.

The Sabattus Sanitary District received 2 new residential sewer hook ups in 2020, and the water received 6 new services. In 2020, the Water Division encountered 2 water main breaks, one located on Valley View in Oak Hill Park which was a 1-1/4" main and the other was a 6 inch water main at the beginning of Island Rd. The total water pumped from Marsh Rd. pump house for 2020 was 52.94 million gallons, with a daily average of 148,708 gallons per day. All required sampling set by the State were met. The Water Division did encounter a few coliform bacteria violations and the system was disinfected with chlorination and flushed. The 450,000 gallon concrete reservoir was cleaned and inspected by Underwater Solutions for added precautionary measures. All protocol was followed to assure safe drinking water to our customers. The Sewer Division treated approximately 33.14 million gallons, with a daily average of 93,090 gallons per day discharged into the Sabattus River. No violations occurred in 2020. Again, all testing required by the State met their requirements.

The sewer rates were adjusted and raised effective January 1, 2019 to meet the department's obligations. The rate increase will occur over a 2 year period (2018 & 2019) to help lessen the burden to our rate payers. With little growth and no commercial users to help offset the costs of operations, it is always a challenge to keep rates stable for our customers. The Water division also had a rate increase in a two year

step (2019-2020) to meet its obligations. The District used its auditor to prepare the rate case and was submitted and approved by the PUC. The District reviews its audits and rates annually.

The District is always working and updating its Capital Improvement Plan (C.I.P.) for both departments. The District currently budgets these capital expenses and reserve accounts in its annual budget.

The District continues to contract with the Town to do all of its administrative duties in an order to save money and keep rates stable. All Payments will be made at the Town Office. We continue to communicate with the Town Manager and his staff on upcoming projects, safety issues etc... that benefit not only the employees but the ratepayers. The District is always looking for ways to provide its customers with the best quality product and do it in a cost effective manner.

The District has retained Olver Associates from Winterport Maine. The plant study is complete as well as the income survey. The information gathered will assist in any funding such as loans, grants, etc. We also have been in discussions with the City of Lewiston to look into an interconnection to the sewer system with Lewiston. We are gathering data to see which will be the most economical for the long term. DEP over the years has increased its requirements on what we can discharge into the Sabattus River. The latest mandate is Nutrient removal such as phosphorus removal. This is very expensive to treat via chemical addition as well as potential added filtration. The last upgrade was completed in 1989, 31 years ago. The process for funding, planning, etc. is typically a 2-3 year process. The District will be evaluating all information and will be holding public hearings at some point to gather any public comments and input. The Water District has completed upgrading the original water supply pump house off of Riley Rd. This is the original pump house (1969) and we are upgrading the pump to a 20 horsepower submersible pump with new check valves. The new variable frequency drive has also been installed, which is the device that operates the pumps on/off function which is more energy efficient. This year we also installed a variable frequency drive on the well pump at our main water supply pump house off of Marsh Rd and a new cushioned check valve.

The Oak Hill High School completed 3,100 feet of 8 inch water main to service the High School with public water. 4 hydrants were also added for fire protection along the way.

## **ASSESSORS' AGENT & TAX COLLECTOR'S ANNUAL REPORT**

The Town of Sabattus maintains permanent records with title information, descriptions of land and buildings, and the valuation of all properties taxable and exempt, tax maps, lists of property, property tax cards, commitment books, exemption applications and proof of qualifications.

### **Property Tax Exemptions**

#### **Homestead Exemption**

Under this law, homeowners are eligible for a \$25,000 for Tax Year 2022. In order to qualify you must have owned property in Maine for at least twelve months prior to April 1<sup>st</sup>, 2020 and make the property you occupy your permanent residence.

#### **Veteran's Exemption**

A home owner may be eligible for a reduction in the valuation of his/her property if s/he:

- Has permanent residence in Sabattus on April 1<sup>st</sup>
- Is a veteran who was honorably discharged.
- Served during a recognized war period in the U.S. Armed Forces
- Is 62 or older or an un-remarried widow/widower of a qualifying veteran
- Is under age 62 but 100% disabled due to a service-related disability.

An application along with proof of service and discharge, such as a copy of a DD214 form must be provided for veterans who served during WWII or later. The exemption is a \$6,000 reduction in valuation.

#### **Paraplegic Veteran**

A veteran that received a federal grant for a specially-adapted housing unit may receive an exemption of \$50,000 in valuation.

#### **Blind Exemption**

A homeowner that is determined to be legally blind by a medical doctor receives a \$4,000 exemption.

All of the above exemptions require a completed application and may require additional information to support the claim for exemption. All applications must be submitted to the Town Office no later than April 1<sup>st</sup> of any given year.

### **Current Use Programs**

The State of Maine offers the following "current use programs" which give the property owner a reduction in his/her assessed value. Applications for all these programs are available at the Town Office or at the Maine Revenue Services website ([www.maine.gov](http://www.maine.gov)). All applications must be filed on or before April 1st. In order to be eligible, each program has certain criteria that must be met. Any change in use of the land warrants withdrawal from the program and a penalty assessed.

#### **Tree Growth**

This program provides for the landowner with at least 10 acres of forested land that wishes to maintain land for the planting, culture, and continuous harvesting of trees. A Forest Management and Harvest Plan must be prepared and submitted with the application. Applications must include a map of the parcel indicating the forest type breakdown as well as all other areas not classified as tree growth. The 100% valuation per acre for each forest type by county is determined by the State Tax Assessor each year. If the classified parcel no longer meets the criteria of eligibility or the landowner withdraws from the program, a penalty on an amount between 20% and 30% of the difference between the tree growth value and the fair market value will be assessed depending on the amount of time in the program.

#### **Farmland**

In the farmland program, the land must be used for farming, agriculture, or horticulture. Farmland can include woodland and wasteland. At least five (5) contiguous acres of land is required and the tract must contribute at least \$2,000 gross income from farming activities per year in one of the two, or three of the five calendar years preceding the date of application. If the property no longer qualifies as farmland or the landowner withdraws from the program then a penalty will be assessed that is equal to: the amount of taxes that would have been paid in the last five years had it not been in the program, less the taxes that were originally assessed, plus any interest on that balance.

### **Open Space**

Under this program no minimum acreage is required and the tract of land must be preserved or restricted in use to provide a public benefit such as public recreation, scenic resources, game management, or preserving wildlife habitat. Classified land is valued by reducing the fair market value in accordance with a cumulative percentage reduction for which the land is eligible according to certain categories.

- Ordinary Open Space - 20% reduction
- Permanently Protected - 30% reduction
- Forever Wild - 20% reduction
- Public Access - 25% reduction

If the property met all of the above requirements, the owner would see a cumulative reduction of up to 95% on the classified land. If the classified parcel no longer meets the criteria of eligibility or the landowner withdraws from the program, a penalty will be assessed equal to: an amount between 20% and 30% of the difference between the open space value and fair market value depending on the amount of time in the program.

### **Property Tax Fairness Credit**

Eligible Maine taxpayers may receive a portion of the property tax or rent paid during the tax year on the Maine individual income tax return whether they owe Maine income tax or not.

**Who is eligible for the Property Tax Fairness Credit?** Homeowners or renters who meet all of the following requirements:

1. Were Maine residents during any part of the tax year;
2. Owned or rented a home in Maine during any part of the tax year and lived in that home during the year as a primary residence;
3. Paid property tax or rent on the primary residence in Maine during the tax year;
4. Meet certain income and property tax and/or rent paid limitations during the tax year.
5. Are not married filing separately.

**How does someone apply for the refundable credit?** To claim the credit, file Form 1040ME and Schedule PTFC or Schedule PTFC/STFC for the tax year during which the property tax or rent was paid.

### **\*\* Important Notice about property taxes for buyers and sellers\*\***

1. Under Maine law, payments of property taxes are the responsibility of the person who owns the property as of April 1<sup>st</sup>.
2. Both the buyer and seller may agree to divide the taxes between themselves, but if any part of the taxes are not paid, a lien will be filed in the name of the person who owned the property on April 1<sup>st</sup>.

#### **Please be Aware**

**If you are the seller-** Even if you no longer own the property, a lien may have a negative effect on your credit rating.

**If you are the buyer-** If a lien is filed in the sellers' name, The Municipality may still foreclose on your property for unpaid taxes.

*Respectfully Submitted,*

*Donna Moore Hays, CMA, Assessors' Agent to the Board of Assessors/Selectmen  
Judy D. Fournier, Tax Collector*

**ARTICLE WARRANT FOR ANNUAL TOWN MEETING  
TOWN OF SABATTUS  
May 20, 2021**

State of Maine  
County of Androscoggin, ss.

To Police Chief Sheila Wetherbee, a Constable of the Town of Sabattus, County of Androscoggin, State of Maine,

**GREETING:**

In the name of the State of Maine you are hereby required to notify and warn the voters of the Town of Sabattus, in said county, qualified by law to vote in Town affairs to meet at the Oak Hill Middle School in the Gymnasium at 40 Ball Park Road in said Town, on Thursday, May 20, 2021 at 6:00 o'clock in the evening, then and there to act on the following articles:

ARTICLE 1. To choose a moderator by written ballot to preside at said meeting.

ARTICLE 2. To see if the Town, in accordance with 36 M.R.S.A. Section 505(1), will vote that the tax lists specified in 36 M.R.S.A. Section 709 be committed for collection on or before September 1, 2021.

Board of Selectmen                      Ought to Pass

ARTICLE 3. To see if the Town, in accordance with 36 M.R.S.A. Section 505(2) will vote to establish September 01, 2021 or 30 days after the tax bills are postmarked and mailed, whichever is later, as the due date for the first payment of the fiscal year 2021-2022 taxes and March 01, 2022 as the due date for the second payment.

Board of Selectmen                      Ought to Pass

ARTICLE 4. To see if the Town, in accordance with 36 M.R.S.A. Section 505(4), will vote that property taxes shall be delinquent if not paid by the dates established in Article 3 and that interest, at the rate of 6.0% per annum, shall be charged on all delinquent property taxes.

Board of Selectmen                      Ought to Pass

ARTICLE 5. To see if the Town, in accordance with 36 M.R.S.A. Section 506-A, will vote that a taxpayer who pays an amount in excess of that finally assessed shall be repaid the amount of the overpayment plus interest from the date of the overpayment at the annual rate of 6.0%.

Board of Selectmen                      Ought to Pass

ARTICLE 6. To see if the Town will vote to authorize the tax collector to accept prepayment of taxes, the amount collected not to exceed the previous year's taxes. Interest on any prepayment will be zero (0) percent.

Board of Selectmen                      Ought to Pass

ARTICLE 7. Shall the Town authorize the Selectmen to receive and appropriate non-property tax revenues to reduce the property tax commitment for the 2021-2022 fiscal year?
