What time period does the information in this Annual Report cover?

All of the Town's financial information in this report (expenses, revenues and employee compensation information) is for the **2021-2022 Fiscal Year (FY22) beginning July 1, 2021 and ending June 30, 2022**. We are required to report audited financials for the Annual Town Report and FY22 is the most recent fiscal year for which we have audited figures. The current fiscal year that we are in (FY23) does not end until June 30, 2023.

However, because of the timing when we print the Annual Town Report nearly a year after the Town's last fiscal year ends, Department Head reports and other letters offer information based on different timeframes such as calendar year 2023 and more recent information when applicable.

The primary reason for different time periods is that the most current data for various areas of the Town operation: audited financials, tax assessments, crime statistics, building permits, etc., varies depending on the data source. In all cases, we strive to give you the fullest and most up-to-date information about Town operations. We have noted on each data table the specific time period for which the figures are related.

Town Manager – Dr. Timothy Kane

Dear Sabattus Community Members,

It is hard to believe that I have been with you for a little over a year and a half now and that I am approaching my second Town Meeting, here in Sabattus. Although there are the daily challenges that we face, I thoroughly enjoy my time working for the Town of Sabattus and serving you all, as community members.

As I began my duties, my first order of business was to review and align each of our departments. This has taken some time, but we are now approaching a very comprehensive group of individuals that are working together for the good of the entire town. Although we are still in need of filling a few positions, most of our departments are working together to assist each other in meeting the community's needs.

As I continue to work through our budget process, we are again finding ourselves in a good financial position. We will be able to utilize money from our undesignated account to cover some of our budgetary items, thus not having to increase the local share of our tax payers. There will again be no mil rate increase from the municipal side.

As we are all aware of the continued, spiraling costs of everything, we were again faced with challenging decisions to make while developing the budget. We always intend to remain fiscally responsible to our Sabattus Community and have developed this budget, keeping the entire community in mind.

As Town Meeting is nearly here, please take the time to fully consider the pros and cons of the Town Warrant articles – whether your vote is a sentimental vote from the heart or whether it is a logical vote from your head, it is important to be involved in the decision-making process of your Town. As with every budget, there are a few tough decisions that will need to be made this year.

As inflationary costs continue to spiral upward, several individual departmental budget requests were increased this year. These requests are to cover the costs of supplies and materials needed to serve our Town.

Please do not hesitate to stop in at the Town Office, and to speak with me, at any time. It is my pleasure to answer your questions and hear your concerns.

Respectfully Submitted,

Dr. Timothy Kane

The Sabattus Police Department would like to thank the citizens of Sabattus for their trust and support to keep the community safe. The 2022/2023 fiscal year has seen several new changes for the Police Department. When I arrived in March of 2022, there were only two sworn full-time officers. One was left from the prior administration and the other started one day prior to my arrival.

We as an agency have begun looking to fill our ranks and get back to full staffing levels. During the summer of 2022, we were fortunate to hire two certified full-time police officers. We went on to hire another officer (fresh out of college) who would need to attend the police academy for training. This brought our sworn personnel to a total of five. We then reached out to bring on two part-time reserve officers who could work on their own. The reserve officers were only allowed to work thirty-four hours a week, but this certainly helped us compared to six months ago.

Over the course of 2022, one officer resigned - indicating law enforcement was not a fit for him and a second officer decided to leave law enforcement completely after five years of service. The Sabattus Police Department was seeing many of the same issues as other departments who are trying to attract and retain personnel.

In June of 2022 we were able to hire Officer Deane Belkin who came to us with prior experience from the State Police and Auburn PD. She has a bachelor's degree in criminal justice from John Jay College in New York.

We were fortunate enough to bring on Officer Caleb Fortin, from reserve status to a full-time officer. Officer Fortin had already been to the full-time academy, and he is following in his father's footsteps with a career in law enforcement.

Officer Mike Mayer came on board in the fall and has been working part-part time for seventeen years with the Monmouth Police Department. He has been working thirty-four hours a week for us and doing an excellent job.

So far in 2023, we have hired two college graduates with degrees in criminal justice. Officer Darryn Bailey comes from Greene and was a graduate of Oak Hill High School. He received his degree from Husson College and will attend the full-time academy in August.

Officer Robert Dostie is a graduate of Lewiston High School and received his level III certificate from Central Maine Community College. He too will be attending the full-time academy in August.

In March of 2023 we hired Sergeant Patrick Mahar who comes to us after retiring from the Brunswick Police Department with twenty-four years of experience. Sgt. Mahar went into the private sector for four years before coming to Sabattus. He brings a wealth of knowledge and experience. He will oversee the patrol division.

In May of 2023, long time officer, Richard Stanton, retired from the department. Officer Stanton originally came from the Lewiston Police Department and filled many roles at the department including firearms instructor, detective, and evidence manager. He was courteous and friendly with the citizens of the community, and the men and women of the Sabattus Police Department would like to thank him for his many years of service and commitment. He will surely be missed, and we wish him success in his future endeavors.

In 2022, the police department handled 2,974 complaints and made 730 traffic stops. When we look at the numbers, the department was working with only three officers for the first six months of 2022. We expect our numbers will increase in the new year.

The police department recognizes “speeding vehicles” as one of our biggest complaints. With the challenge of generally having only one police officer working during a twelve-hour shift, we want the community to know we are out there, and we are trying to address as many of the speeding “hot spots” in the town as we can. We strive to be as visible to the public as possible.

The police department received a grant for impaired driving. We will be conducting these specific details in areas that will best gain voluntary compliance from the citizens.

This coming year we are working on becoming accredited through MLEAP. (Maine Law Enforcement Accredited Program.)

“The Maine Law Enforcement Accreditation Program (MLEAP) is a voluntary process where police agencies in Maine prove their compliance with Maine Law Enforcement’s current Best Practices or Standards. These standards were carefully developed by Maine Law Enforcement professionals to assist agencies in the efficient and effective delivery of services and the protection of individual’s rights.

The Maine Chiefs of Police Association (MCOPA) developed the Accreditation Program to assist Maine agencies in meeting their professional obligations to the citizens of Maine. An appointed Committee of CLEOs or other executive level sworn members who hold Active Membership in the MCOPA as well as other critical partners identified by the MCOPA Board of Directors from across the state developed the Accreditation Program and identified the Standards for Maine Law Enforcement. This committee now conducts reviews of an agency's efforts and awards "Accredited" status." The list below describes why this accreditation is so important to the town.

- Voluntary
- Shows compliance with current "best practices."
- Addresses most critical LE issues in policy & operations.
- Meet or exceed standards.
- Reduces risk for officers & agency – reduction in liability coverage.
- Credibility: *REASSURES COMMUNITY & TOWN/CITY ADMINISTRATION*

We as an agency are honored to be working with a great community and look forward to serving you over the next year.

Annual Town Report
Sabattus Fire Department

Dear Citizens of Sabattus;

Let us first start off by thanking everyone for their continued support over the last year. The department and the community made things exciting and extremely rewarding. The past three years in the world have been challenging, however we believe we all are getting back to our normal lives.

Membership:

Over the last year our membership has continued to shine, we have obtained some new members for our call company and for the per-diem roster. This year we have also made town and department history, due to the FEMA SAFER grant we were able to hire our first full-time firefighters, for a period of 3-years. On January 30th of this year, we implemented our full-time firefighter positions. We were lucky enough to hire some very well-rounded and dedicated members. These people see the need in our community and are there to help and want to provide the highest level of service to our citizens. As we move forward our organization continues to grow and so does our call volume. We have moved from a strictly volunteer fire department to a combination Fire/EMS organization in only a few short years.

Grants:

The Sabattus Fire Department has been very fortunate over the last three years to have received multiple grants from various organizations for the purchase of new and updated equipment. Over the last three years we have successfully obtained over \$3.4 million dollars in funding from local and national foundations. These grants have been used for new equipment, new pieces of apparatus, various trainings and more. The two most exciting ones have been \$1.2 million dollars for the 4-fulltime firefighters, for 3-years, which was funded via a FEMA SAFER Grant. The second is for \$2 million dollars for the possible building of a new centrally located fire station or refurbishing the current station we presently have. This grant will be based upon what the citizens and community would like to see for the future of the fire department. A Fire Station committee has been formed and we will be reaching out to the citizens for their input as we move forward. We continue to write grants monthly hoping to gain as much outside funding as possible to limit the financial burden on our citizens.

Calls for Service:

Last year the Sabattus Fire Department received 660 calls for service. This is the busiest year that the Sabattus Fire Department has ever had. Out of these calls we had a few very major incidents that we believe displayed a high level of professionalism and dedication from our organization. Additionally, without our per-diem/full-time staffing we could have had some major delays in response that could have had a much different outcome in the end. We are proud of the work we have done all year long on these calls for service, proving we are a group of highly motivated and dedicated members wishing to provide the highest level of service to our community.

Recap:

As we continue in the year of 2023, we have started the year off fast with a lot of good trainings and a busy time for calls. We continue to push each day to make sure we are the most prepared to answer the call in your time of need. On behalf of the entire Sabattus Fire Department we want to thank you for all you do for us and for the community. We hope you have a safe, happy and healthy year!

Town of Sabattus
Code Enforcement

The Code Enforcement Officer, Building Inspector, and Plumbing Inspector administers the law relating to land use such as; building codes, shoreland zoning, minimum lot standards, and the Maine Plumbing rules.

A major function of the Code Enforcement Office is to provide information to the public and to assist property owners in making prudent land use decisions. The Office receives many requests for information on subjects ranging from land use regulations and building matters, to issues involving State and Federal Laws.

The Code Enforcement Office has an extensive collection of reference materials and can provide answers to some fairly complicated questions.

All construction within the boundaries of the Town of Sabattus requires a permit, or permits. Applicants may contact the Sabattus Town Office at (207)375-4331, ext. 1105, or email at ceo@sabattus.org with any questions they may have.

- * A permit **is required** for all new construction, remodeling, demolition, signage
- * A permit **is not required** for repairs
- * A permit **is not required** for a boundary fence (max. 6' height)

The Code Enforcement Office issued 122 total building permits in 2022 calendar year.

- Mobile Homes – 14
- New Single-Family Homes – 22
- Commercial – 3 Solar Farms
- Garage Permits – 36
- Storage Shed Permits – 11
- Remodel/Additions – 14
- Decks – 17
- Miscellaneous Permits – 5

Town of Sabattus
Public Works

Dear Sabattus Community Members,

As part of my title includes that I serve as Road Commissioner, I am very proud to advise the community that our Public Works Crew is in a very good place. We have an exceptional crew, that works very hard for our town, together as a group, as well as sharing services throughout the town.

We are fortunate to have hired a mechanic. This allows us to create revenue, assist RSU #4, saving the RSU money, as well as setting regular maintenance schedules for all the town's vehicles and equipment.

Some of the highlights we are working on are the following;

- We started working on RSU buses in February
- We've adopted a level of service plan to mitigate the rising cost of salt and winter sand.
- Public works has 6 working positions which includes the designee/assistant director.
- We have hired a mechanic/ truck driver laborer to help save money on repairs and assist the crew with snow removal. He also holds all the necessary inspection licenses and the Town's inspection station is in good standing.
- We have added a 6th plow run to improve our response time for completing plow runs.
- We've incurred significant damages from heavy rain storms and continue to fix those issues.
- Rising costs on fuel, asphalt and aggregates, has restricted our purchasing ability and limited the road projects that can be done.
- We've chosen 10 locations to repair and pave some of our roads. This is provided the budget passes as presented

Transfer Station

To the Citizens of Sabattus

Recycling tonnage rate was 36% for 2022 (the most current available) which was 14 % below the State of Maine's recycling goal. With the help of citizens, we can improve our recycling rate, increase our revenue and decrease our household waste as well as reduce the tipping fee charged to the town to dispose of waste.

2022 Recycling Statistics

Card board	62 Tons
Newspaper / Magazines	16 Tons
Mixed paper	30 Tons
Glass	5 Tons
Tin/aluminum	5 Tons
Plastic 1-7	16 Tons
TV's/Computers etc	15 Tons
Metal	113 Tons
Wood Chips	225 Tons

By taking recycles out of the waste stream, citizens saved \$10,531.00 in tipping fees and collected \$63,000.60.00 from the sale of recycled material, demo wood, electronics and metal fee Saved Tax payers over \$18,000.00 dollars by getting a better price for roll off cans and new plastic packer and residing demo building Jamie, Affordable Welling saved the tax payers \$6,000.00 by grinding brush.

Syringe users please use a container of hard plastic such as a laundry detergent bottle with a cap. Place your used syringe inside the bottle and secure the cap before disposal and put it in household waste stream.

Reminder, clear trash bags are required and available to purchase at the Transfer Station.

I would like to thank my outstanding staff for doing a great job this past year:
Clifford Michaud, Arthur Cefalo and David Pomerleau Robert Hamel

Any resident seeking information regarding the Transfer Station, please leave a message for Jerry at 375-2507 or visit the town website at www.sabattus.org/our_government/Transfer-station

Sabattus Sanitary District & Water Division

SABATTUS SANITARY DISTRICT'S ANNUAL REPORT 2022

April 2023

The Sabattus Sanitary District's mission is to continue to serve its customers in a professional manner and strive to achieve quality effluent through its wastewater treatment process and to protect the environment by meeting its discharge permit to the Sabattus River. The Department of Environmental Protection sets strict limits to achieve through our discharge permit and we take pride in meeting those limits on a continual basis. The District continues to go above and beyond to adapt and establish good working relationships with its customers and the people they work with to achieve the goals they set forth in the most cost-effective manner, without affecting the quality of its work and product. Clean and safe drinking water is also a priority for the District as well as providing fire protection to its customers and residents of the community. Since its establishment in 1969, the drinking water in Sabattus meets all of the standards set forth by the State and Federal agencies and its guidelines. The District provides an excellent quality of water provided through 2 gravel packed wells located off of Riley Rd. and Marsh Rd. approximately 60 feet deep and pulls water from an underground aquifer. The District does not add any chemicals to its water supply. The District collects required monthly samples and performs testing to assure safe and great tasting quality water to its customers.

The Sabattus Sanitary District received 2 new residential sewer hook ups in 2022, and the water received 5 new service. In 2022, the Water Division encountered 2 water main breaks, one located on Island Rd. which was a 2-1/4 inch water main and the other was a 6-inch water main off of Lisbon Rd.

The total water pumped from Marsh Rd. pump house for 2022 was 54.51 million gallons, with a daily average of 153,000 gallons per day. All required sampling set by the State were met. The Water Division encountered one Level 1 assessment and the system was disinfected with chlorination and flushed. All protocol was followed to assure safe drinking water to our customers.

The Water Division collected samples at both wells for PFAS chemicals. The State set a limit of 20 parts per trillion and both wells had results at the lowest detectable limit of less than 2 parts per trillion.

The Water Division water rate increase for 2022-2023 was approved by the PUC to meet its financial obligations and budget. The District is doing this in a two-year process for a lesser burden on the ratepayers.

The Sewer Division treated approximately 35.54 million gallons, with a daily average of 95,000 gallons per day discharged into the Sabattus River. No violations occurred in 2022. Again, all testing required by the State met their requirements.

The District is always working and updating its Capital Improvement Plan (C.I.P.) for both departments. The District currently budgets these capital expenses and reserve accounts in its annual budget.

The District has one of the two reed beds cleaned using a local contractor and Casella Waste by having the sludge byproduct hauled to its landfill in Old Town, Maine. Sludge is becoming a challenge for disposal due to regulations and cost. We are working with our engineer OLVER Associates as part of our upcoming treatment plant upgrade.

The District did attain some of the (ARPA) American Rescue Plan Act money that was awarded to the Town to do some infrastructure improvements such as security cameras, new radio communications for the water systems pumping system, etc. This is Federal money that will not have to be paid back as used as grant money.

The District continues to contract with the Town to do all of its administrative duties in an order to save money and keep rates stable. All Payments will be made at the Town Office. We continue to communicate with the Town Manager and his staff on upcoming projects, safety issues etc... that benefit not only the employees but the ratepayers. The District is always looking for ways to provide its customers with the best quality product and do it in a cost-effective manner.

The District is still working with Olver Associates from Winterport Maine. We have been in discussions with the City of Lewiston to look into an interconnection to the sewer system with Lewiston and the City of Lewiston has opted out. We are now focused on upgrading the plant and other options and we will be seeking State and Federal funding to help offset the cost of the upgrade. The last upgrade the plant has was in 1989 (34 years ago). The life of a wastewater plant is typically 20-25 years so the age alone as well as new Federal and State requirements are main reasons for the upgrade.

DEP over the years has increased its requirements on what we can discharge into the Sabattus River. The latest mandate is Nutrient removal such as phosphorus removal. This is very expensive to treat via chemical addition as well as potential added filtration. The process for funding, planning, etc. is typically a 2-3 year process. The District will be evaluating all information and will be holding public hearings at some point to gather any public comments and input.

Paul H. Morin
Superintendent
Sabattus Sanitary District & Water Division

ASSESSORS' AGENT & TAX COLLECTOR'S ANNUAL REPORT

The Town of Sabattus maintains permanent records with title information, descriptions of land and buildings, and the valuation of all properties taxable and exempt, tax maps, lists of property, property tax cards, commitment books, exemption applications and proof of qualifications.

Property Tax Exemptions

The Town is now at 88% market value for 4/1/23

Homestead Exemption

Under this law, homeowners are eligible for a \$22,000 for Tax Year 2024. In order to qualify you must have owned property in Maine for at least twelve months prior to April 1st, 2023 and make the property you occupy your permanent residence.

Veteran's Exemption

A home owner may be eligible for a reduction in the valuation of his/her property if s/he:

- Has permanent residence in Sabattus on April 1st
- Is a veteran who was honorably discharged.
- Served during a recognized war period in the U.S. Armed Forces
- Is 62 or older or an un-remarried widow/widower of a qualifying veteran
- Is under age 62 but 100% disabled due to a service-related disability.

An application along with proof of service and discharge, such as a copy of a DD214 form must be provided for veterans who served during WWII or later. The exemption is a \$5,280 reduction in valuation.

Paraplegic Veteran

A veteran that received a federal grant for a specially-adapted housing unit may receive an exemption of \$44,000 in valuation.

Blind Exemption

A homeowner that is determined to be legally blind by a medical doctor receives a \$3,520 exemption.

All of the above exemptions require a completed application and may require additional information to support the claim for exemption. All applications must be submitted to the Town Office no later than April 1st of any given year.

Current Use Programs

The State of Maine offers the following "current use programs" which give the property owner a reduction in his/her assessed value. Applications for all these programs are available at the Town Office or at the Maine Revenue Services website (www.maine.gov). All applications must be filed on or before April 1st. In order to be eligible, each program has certain criteria that must be met. Any change in use of the land warrants withdrawal from the program and a penalty assessed.

Tree Growth

This program provides for the landowner with at least 10 acres of forested land that wishes to maintain land for the planting, culture, and continuous harvesting of trees. A Forest Management and Harvest Plan must be prepared and submitted with the application. Applications must include a map of the parcel indicating the forest type breakdown as well as all other areas not classified as tree growth. The 100% valuation per acre for each forest type by county is determined by the State Tax Assessor each year. If the classified parcel no longer meets the criteria of eligibility or the landowner withdraws from the program, a penalty on an amount between 20% and 30% of the difference between the tree growth value and the fair market value will be assessed depending on the amount of time in the program.

Farmland

In the farmland program, the land must be used for farming, agriculture, or horticulture. Farmland can include woodland and wasteland. At least five (5) contiguous acres of land is required and the tract must contribute at least \$2,000 gross income from farming activities per year in one of the two, or three of the five calendar years preceding the date of application. If the property no longer qualifies as farmland or the landowner withdraws from the program then a penalty will be assessed that is equal to: the amount of taxes that would have been paid in the last five years had it not been in the program, less the taxes that were originally assessed, plus any interest on that balance.

Open Space

Under this program no minimum acreage is required and the tract of land must be preserved or restricted in use to provide a public benefit such as public recreation, scenic resources, game management, or preserving wildlife habitat. Classified land is valued by reducing the fair market value in accordance with a cumulative percentage reduction for which the land is eligible according to certain categories.

- Ordinary Open Space - 20% reduction
- Permanently Protected - 30% reduction
- Forever Wild - 20% reduction
- Public Access - 25% reduction

If the property met all of the above requirements, the owner would see a cumulative reduction of up to 95% on the classified land. If the classified parcel no longer meets the criteria of eligibility or the landowner withdraws from the program, a penalty will be assessed equal to: an amount between 20% and 30% of the difference between the open space value and fair market value depending on the amount of time in the program.

Property Tax Fairness Credit

Eligible Maine taxpayers may receive a portion of the property tax or rent paid during the tax year on the Maine individual income tax return whether they owe Maine income tax or not.

Who is eligible for the Property Tax Fairness Credit? Homeowners or renters who meet all of the following requirements:

1. Were Maine residents during any part of the tax year;
2. Owned or rented a home in Maine during any part of the tax year and lived in that home during the year as a primary residence;
3. Paid property tax or rent on the primary residence in Maine during the tax year;
4. Meet certain income and property tax and/or rent paid limitations during the tax year.
5. Are not married filing separately.

How does someone apply for the refundable credit? To claim the credit, file Form 1040ME and Schedule PTFC or Schedule PTFC/STFC for the tax year during which the property tax or rent was paid.

**** Important Notice about property taxes for buyers and sellers****

1. Under Maine law, payments of property taxes are the responsibility of the person who owns the property as of April 1st.
2. Both the buyer and seller may agree to divide the taxes between themselves, but if any part of the taxes are not paid, a lien will be filed in the name of the person who owned the property on April 1st.

Please be Aware

If you are the seller- Even if you no longer own the property, a lien may have a negative effect on your credit rating.

If you are the buyer- If a lien is filed in the sellers' name, The Municipality may still foreclose on your property for unpaid taxes.

Respectfully Submitted,

*Donna Moore Hays, CMA, Assessors' Agent to the Board of Assessors/Selectmen
Judy D. Martin, Tax Collector*

**ARTICLE WARRANT FOR ANNUAL TOWN MEETING
TOWN OF SABATTUS
WEDNESDAY, MAY 24, 2023**

Androscoggin County, ss.

State of Maine

To Police Chief Michael Erik Baker, a Constable of the Town of Sabattus, County of Androscoggin, State of Maine,

GREETING:

In the name of the State of Maine you are hereby required to notify and warn the voters of the Town of Sabattus, in said county, qualified by law to vote in town affairs to meet in the gymnasium of the Oak Hill Middle School at 40 Ball Park Road in said town, on Wednesday, May 24, 2023 at 6:00 o'clock in the evening, then and there to act on the following articles:

ARTICLE 1. To choose a moderator by written ballot to preside at said meeting.

ARTICLE 2. To see if the Town, in accordance with 36 M.R.S.A. Section 505(1), will vote that the tax lists specified in 36 M.R.S.A. Section 709 be committed for collection on or before September 5, 2023.

Board of Selectmen

Ought to Pass

ARTICLE 3. To see if the Town, in accordance with 36 M.R.S.A. Section 505(2) will vote to establish September 5, 2023 or 30 days after the tax bills are postmarked and mailed, whichever is later, as the due date for the first payment of the fiscal year 2023-2024 taxes and March 5, 2024 as the due date for the second payment.

Board of Selectmen

Ought to Pass

ARTICLE 4. To see if the Town, in accordance with 36 M.R.S.A. Section 505(4), will vote that property taxes shall be delinquent if not paid by the dates established in Article 3 and that interest, at the rate of 8.0% per annum, shall be charged on all delinquent property taxes.

Board of Selectmen

Ought to Pass

ARTICLE 5. To see if the Town, in accordance with 36 M.R.S.A. Section 506-A, will vote that a taxpayer who pays an amount in excess of that finally assessed shall be repaid the amount of the overpayment plus interest from the date of the overpayment at the annual rate of 8.0%.

Board of Selectmen Ought to Pass

ARTICLE 6. To see if the Town will vote to authorize the tax collector to accept prepayment of taxes, the amount collected not to exceed the previous year's taxes, and that interest on any prepayment will be zero (0) percent.

Board of Selectmen Ought to Pass

ARTICLE 7. Shall the Town authorize the Selectmen to receive and appropriate non-property tax revenues to reduce the property tax commitment for the 2023-2024 fiscal year?

Anticipated non-property tax revenues for the fiscal year beginning July 1, 2023 include the following approximations of State and Town Revenues:

		<u>FY24</u>
I.	Excise Tax **	\$ 950,000
II.	Municipal Revenue Sharing	\$ 685,000
III.	Homestead Exemption Reimbursement	\$ 365,796
IV.	All Other Non-Property Tax Revenues	\$ 398,928
	Total Non-Property Tax Revenues	\$ 2,399,724

Board of Selectmen Ought to Pass

*** It is anticipated that the Town will collect approximately \$930,000 in Excise Taxes in FY23. However, the Town Charter requires that a minimum amount equal to 25% of the collected FY22 Excise Taxes be restricted for sole use to maintain and construct roads in Sabattus, and cannot be used to lower the tax rate.*

ARTICLE 8. Shall the Town authorize the Selectmen to appropriate an amount not to exceed \$125,000 from Undesignated Fund Balance ("Surplus") to reduce the Property Tax Commitment for the 2023-2024 fiscal year?
